## Council Votes to Abolish City Job

Clerk to Take Over  
Comptroller's Duties;  
Veto Is Anticipated

Voting 12-to-4, Granite City council members abolished the office of city comptroller Monday night, transferring the duties to the city clerk.

Mayor Partney is expected to veto the ordinance, although he said following Monday night's council action that he had not yet decided what he would do.

In the past year, the council has successfully overridden a number of Partney vetoes, but next week three new aldermen are to be seated as the new city year begins and the mayor starts his second four-year term.

Debate on the ordinance to eliminate the 10,170 job lasted 27 minutes. It was first introduced by Alderman Nann at the April 7 meeting, when immediate approval failed to carry. Action was deferred last week.

No date was specified in the ordinance for ousting Comptroller Robert Stevens, who has held the office nearly four years—since the death of John Doher.

**Financial Report Due**  
In arguing against the proposal, Alderman Fry, who was attending his final full meeting, pointed out the comptroller has the responsibility of preparing the city's annual financial report which is due in May. He also has a major role in preparation of the new budget.

Prime points in the argument for elimination of the office were "economy," stressed by Nann; and the lack of cooperation between the offices of the comptroller and the city treasurer and clerk, brought out by Bartosiak, another alderman who will be leaving the council.

Bartosiak also recalled the mayor had mentioned in a pre-election statement that the office of clerk and comptroller could be combined to save money.

In the roll call vote, those favoring abolishment of the office were—Dawson, Moorhead, Bartosiak, Boyd, Poulos, Green, Basarich, Nann, Partney, Robertson, Davies and Johnson. Voting "no" were Whitmer, Rutledge, Fry and Jarrett.

Of the present council members, Bartosiak, Fry and Johnson will be leaving. The new aldermen at the May 5 meeting will be Everett Moorhead in the First Ward, Paul Schuler in the Sixth and Thomas Becker in the Seventh.

**Extra Help?**  
During Monday night's debate, Fry asked City Clerk Pendleton if he could do the job without any extra help. Pendleton replied the task could be undertaken with the help of Treasurer E. R. Rich, but that he could not answer at present on the need for any additional help.

Fry then asked if the clerk had expected the added duties when elected. Pendleton answered, "I did not."

The alderman then went on to point out how Comptroller Stevens quit a job with Granite City Steel Co. to take over the city post and prepare a tax levy when Comptroller Doher died unexpectedly. "I don't see how the council can figure the city doesn't need a person to do the job," he said.

A sharp rise in property taxes to handle a \$2 million-a-year operation.

Alderman Rutledge also noted the "problems between the treasurer and comptroller of office," and the council action in.

## Ogilvie Wants Tax of 4%, Nothing Less. Mayors Told

Gov. Richard B. Ogilvie will settle for no less than a flat 4% income tax—without reductions in other taxes—to meet mounting state costs during the current biennium, John Cotton, a representative of the Illinois State Finance Department, told a meeting of the Southwestern Illinois Mayors' Conference in Madison last night.

Addressing an audience of about 150 persons in the Madison Fire Hall, Cotton said the governor will not agree to eliminate other taxes.

"There is nothing in the governor's program that calls for any tax cut—the sales tax or any other," the speaker told the group, pointing out that no increase is contemplated in the sales tax. He noted that the governor's fiscal program was developed to meet a financial crisis that came into being in 1968.

"Since then," he said, "the budget situation has been a problem of controlling spending in line with the money we had. It appears that we will come through this fiscal year without running out of money."

**New Tax Essential**  
The governor's new budget encompasses substantial increases in major governmental areas, making a substantial tax increase essential, Cotton said.

Using a series of charts, Cotton demonstrated that 1969 government costs and increased sums needed for the 1969-70 fiscal year would require a 4% increase in income taxes.

Other townships of the 33rd Precinct District include Alton, Edwardsville, Wood River, Godfrey, Jarvis and Pin Oak.

The revenue of the district comprises 144 of Madison county's 186 voting precincts.

In Granite City, for example, Briggs polled 2490 votes in 32 precincts, compared to 1840 for Totewain, giving Briggs a majority of only 640 votes in all of Granite City precincts.

Briggs carried 22 of the 32 Granite City precincts, but in many of them his majority was negligible. In Precinct Two only 44 votes separated Briggs from Totewain.

Briggs and 22 for Totewain. Precinct Four cast only 68 votes, 39 for Briggs and 29 for Totewain. Only five of Granite City's 32 precincts cast more than 200 votes during Tuesday's balloting.

Briggs carried three of the five. In Precinct 11, where 209 votes were cast, Briggs' vote program.

**Seek Whereabouts of  
Eight '19 Graduates**

Plans for the 50th reunion of the January and May '19 classes of Granite City high school are nearing completion. E. Veth, member of the class said today, and he is now concentrating on the whereabouts of eight of the 35 known living graduates.

"Thirteen of the original 48 graduates have passed away," Veth said, "and we have located all but eight of the remaining 35. We would like to hear from anyone who has any idea where they may reside so we can get in touch with them."

Those being sought are: Ruth Lawl, Claude Mueller, Edna Ryle, Harriet McKendricks, Margaret Colman, George Shuck, Richard B. Ogilvie, and Raymond Bischoff. Veth pointed out that the girls probably have different names now due to marriage.

Reunion plans being worked out include brief participation in the 800-member June 1969 graduation program May 29 at the high school (which happens to be the exact date of the exercises 50 years ago), and a dinner party at Holiday Inn, Sunset Hill, on the following evening, Friday, May 30.

**New GC Tax Bill \$9,170,870—Up 22%**

Granite City taxpayers will be billed this summer for payment of \$9,170,870 taxes, a 22% increase over last year's tax bill of \$7,558,257, it was announced today.

The new extension is up \$1,622,613 over last year's billing and an increase of \$1,898,075 over the total tax of \$7,272,785 billed for collection during 1967.

A sharp rise results from substantial increases in both the Granite City tax rate and property valuations. Granite City's tax rate will be billed this year on an overall tax rate of \$5.21 per \$100 assessed valuation applied against a 1968 property valuation of \$173,768,430.

Last year's tax bills were based on an overall Granite City tax rate of \$4.04 applied against an assessment of \$188,702,104.

**New Books Completed**  
The new extension is contained in the 1968 Granite City township tax books which were completed at noon yesterday by the office of County Clerk Ed-

**Defeats Harry Briggs, 12,751 to 11,962 in 53rd District Race**

(Charts on Page 4)  
Dr. Merrill Ottwein, Edwardsville veterinarian, making his first bid for an elective office, won the senatorial post of the 53rd District Tuesday in balloting in the ten Madison county townships that make up the district.

Ottwein polled a total of 12,751 votes to defeat Harry Briggs, Nameoki township supervisor, who tallied 11,962 votes.

While Briggs carried in all four Quad-City townships—Granite City, Venice, Nameoki and Chouteau—they were insufficient to offset Ottwein's pluralities in the rural areas.

## Bi-State Transit Preparing Service Adjustment Plan

Bi-State Development Agency commissioners at their meeting yesterday authorized the Bi-State Transit Service Corp. to prepare in detail a service adjustment schedule, with an announcement of change or cutbacks in route service to be issued in mid-May.

Commissioners were informed that 32 new buses recently were placed in service, with 23 licensed for Illinois routes and 29 designated for the Missouri division. The vehicles are equipped with a new anti-pollution device, a chemical catalytic muffler, designed to reduce substantially pollutants from bus exhaust systems.

Disposal of 75 surplus vehicles, many in poor condition, was authorized on public bids. A spokesman for the agency noted that 27 vehicles are 1958 models, 37 have been in use since 1947 and two date back to 1945.

Bi-State Parks Airport will be the site of the 1969 National Intercollegiate Flying Association meet, next Wednesday and Thursday, it was reported. At least 60 colleges will be represented at the meet and an anticipated 400 association flyers.

Advance registration have been received from California, New Hampshire, New York, Florida and many mid-western states. The national air meet was held at St. Cloud, Minn., in 1967.

## Transit Finances

Revenue of the Bi-State Transit System totaled \$633,369 during a 12-day operating period in March while operating expenses aggregated \$880,700, according to a report by officials.

Company buses were not in operation March 1 to 19 due to a strike by drivers.

Net operating revenue showed a deficit of \$227,391 before payment of \$177,263 due for March in fund requirements under the trust indenture, leaving a total deficit for the month of \$50,628.

March income was \$1,323,691 less than the \$1,977,000 estimated income for the month set up in the transit system budget. While expenses were \$792,300 less than the budgeted \$1,773,000. This brought the cumulative cash deficiency in the depreciation reserve fund to \$2,421,473 for the period April 1, 1963 to March 31, 1968.

Total revenue from Bi-State Parks Airport in March amounted to \$11,505, or \$4280 more than the budgeted figure, while operating expenses totaled \$8515, or \$1860 over the March budget, for a net revenue of \$2990.

Operation of the Gateway Arch passenger transportation facilities during March cost \$8563, while revenue was \$34,646. It was reported that a total of 37,850 passengers (31,092 adults and 6758 children) was transported to the Arch observation platform in the four-week period.

## Collide in Venice

Cars driven by Robert K. Geroff, 3222 Princeton drive and Fred L. Hunnis, St. Louis, were involved in a collision at Broadway and the State street cutoff in Venice. Police said Geroff stopped at the traffic sign at Broadway and was struck from the rear by Hunnis' car.

## Victims May Reclaim Stolen Burglary Items

Loot recovered from about 60 house burglaries in Granite City is overcrowding the vault at the police station, and Chief Ronald Veizer is requesting victims to reclaim their property.

Merchandise was recovered in Granite City and in St. Louis county. Officer Gerald Ellison Young and his wife, Frances, of Granite City, were arrested in a burglary in Florissant last month.

Chief Veizer said that some of the victims already have identified and claimed some of the loot, but more items have arrived at the station. Owners should be able to identify their property, the chief said.

Victims who have already collected on their insurance policies and do not wish to have their property returned are being asked by the chief to identify the items and provide the names of the insurance companies. The police department will forward the items to the insurance companies.

"We have extended invitations to parents and friends to visit Teen Town dances and business meetings, but few are able to attend," Mrs. Watson said. She added that senior counselors are being sought to assist with the program as it continues to grow.

Dances are held from 7:30 to 11 p.m. each Friday at the Long Lake fire hall, with the teenagers cleaning and re-arranging the room when the evening is over.

Mrs. Watson said the youth group presented three volumes to the Grigley junior high school library last week. The books were originally donated to the Teen Town members by an area resident, she explained.

"Parents, won't you please drop in and see for yourselves what these boys and girls are doing with their time and how beautifully they work together as a group to promote a program in which they truly believe and enjoy," Mrs. Watson said.

last year's total Granite City extension to \$7,581,475.

At the same time, Miss Hotz announced extension of total taxes of \$1,177,365 for Chouteau township in completing the township's 1968 tax books.

Chouteau Tax Bill

The Chouteau township tax bill is an increase of \$141,157, or 13% over last year's total tax bill of \$1,036,208, Miss Hotz said. The Chouteau extension includes \$4318 for the Wood River Levee and Drainage district and \$4749 for the Chouteau, Nameoki and Venice Drainage district.

Tax Dollar Breakdown

Miss Hotz said that a breakdown of each tax dollar to be paid by Granite City taxpayers shows that 60.06 cents will go to the school district, 19.1 cents to the city, 7.72 cents to the county, 7.5 cents to the levee district, 3.78 cents to the park district and 1.86 cents to the township.

The new 1968 tax rate will mean that the owner of a house assessed at \$10,000 will pay a tax bill this year of \$221 instead of \$440 last year. The \$221 tax payment, Miss Hotz said, would be divided among tax agencies as follows: School District 9, \$312.90; city, \$99.50; county, \$40.20; levee district, \$39.10; park district, \$19.60, and township, \$9.70.

Each tax dollar paid in Chouteau township, the county clerk said, will provide \$75.71 cents to School District 9, 8.9 cents to the township road and bridge fund, 9.73 cents to the county, 3.02 cents to the Mitchell fire district and 2.64 cents to the township.

A house assessed at \$10,000 in Chouteau township, located within the Mitchell fire district, will pay a bill of \$413. Some Chouteau township residents also will pay a levee district tax.

## Boy, 14 Months Old, Bitten on Face by Dog

A 14-month-old Madison child who suffered a severe laceration on the face when bitten by a German Shepherd dog shortly before 7:30 p.m. Tuesday, was treated in the emergency room at St. Elizabeth Hospital and later transferred to Cardinal Glennon Hospital, St. Louis, for further examination and treatment by a plastic surgeon.

The youngster, Walter Powell, son of Mr. and Mrs. Walter Powell, 808 (rear) Lee avenue, Madison, was bitten about the face by an animal owned by Mr. and Mrs. Edward Bochatin, 816 Greenwood street, Madison.

The child had been taken to the house by Mrs. Bochatin's mother, a next-door-neighbor of the Powell family, who was caring for the youngster while the father was at work. Mrs. Powell is confined as a patient at the local hospital.

The large Shepherd dog apparently injured the boy who was seated in a stroller in the Bochatin yard. Madison police said the dog was ordered confined at a veterinarian's for observation.

## Ottwein

was 157 to 51; in Precinct 13, Briggs polled 142 to 64, and in Precinct 18, Briggs polled 156 to 48. In the other two precincts casting more than 200 votes, Ottwein polled 191 to 59 in Precinct 17 and 123 to 91 in Precinct 23.

**Venice Majority Best**  
Venice township gave Briggs a much larger majority proportionately than Briggs' own Nameoki township, although the seven precincts of Nameoki township cast almost as many votes as the eleven precincts of Venice township.

Briggs carried ten of the eleven Venice township precincts by substantial margins. The exception was Venice Precinct Ten where only 28 votes were cast in the highest precinct vote of the entire district. In that precinct Ottwein polled 15 votes to 11 for Briggs.

Venice township voters cast a total of 2500 ballots, with 2166 votes for Briggs and 334 for Ottwein—a 6-to-1 majority for Briggs.

In the seven precincts of Nameoki township, Briggs lost Precinct Six which gave Ottwein 165 votes and Briggs 120. Briggs carried Nameoki Precinct Three by only 15 votes in a tally of 159 to 144 for Ottwein.

**2-to-1 Majority**  
Total Nameoki township vote was 2173 votes, with Briggs receiving 1486 and Ottwein 707—a Briggs victory of only 2-to-1. Chouteau township's four precincts cast a total vote of 1105, with Briggs tallying 634 to 471 for Ottwein—a Briggs majority of only one and a half to one. Ottwein carried Precinct Four in Chouteau township a vote of 145 to 133, while Briggs' heaviest majority in that township was Briggs polled 192 to 91 for Ottwein.

Ottwein carried his heavier Republican majorities in Pin Oak, Jarvis, Godfrey and Wood River townships, with Alton splitting its precinct majorities

between the Republican and Democratic sides of the ballot. Because there were only two candidates on the balloting, reporting of returns to the office of County Clerk Eulalia Hotz was completed by 8:30 p.m.

Ottwein, 39, will fill the vacant Senate seat of Lt. Gov. Paul Simon (D-Troy), who resigned following his election to the state office in general elections last November. He will serve only a year, since statewide senatorial elections are scheduled in 1970 with a June primary and a November general election. To continue in the office he will have to run and win in both elections next year.

**Legislature Near Adjournment**  
During his term, he will serve less than two months in General Assembly activities at Springfield unless a special session is called early next year. The current session of the legislature expects to complete its work by the usual deadline date of June 30.

Ottwein is a veterinarian on the staff of the Hawthorne Animal Hospital at Edwardsville. He is a past president of the University of Illinois College of Veterinary Medicine Alumni Association and a past member of the advisory committee for the College of Veterinary Medicine at the U. of I. He also is president of the Lake-Wood Development, Inc., a real estate development, and a member of the board of directors of the First Federal Savings & Loan in Edwardsville. During 1967, Ottwein was director of "Diancia," an agricultural and community development program of the National Council of Churches in Honduras, Central America, where he and his family lived for a year. He also is a member of the Edwardsville Rotary Club, a former member of the Chamber of Commerce board of directors and is active in other community and civic affairs.

**Hundley Hospitalized**  
Walter Hundley, 2800 Delmar avenue, of the Hundley Pontine Co., is a patient at St. Elizabeth Hospital where he is undergoing treatment for a coronary insufficiency. He entered the hospital Friday and is still in the intensive care unit although his condition is much improved.

## Quad-City Public Aid Up Slightly in February

Quad-City area public aid recipients received about \$190,400 in assistance payments during February, only a slight increase above payments of the previous month, according to figures released by the office of Harold O. Swank, Illinois public aid director at Springfield.

Total state allocation for all Madison county aid programs amounted to \$781,857 during February, with the amount distributed to 10,569 aid clients, the report said. Approximately 25% of Madison county aid is distributed in the Quad-City area.

The Madison county February payments were an increase of only \$35,000 over the January allocation of \$746,857 for 10,784 recipients.

## ADC Fund Largest

Largest public aid distribution was for payment of Aid to Dependent Children, amounting to \$381,707 to 6106 clients in February, up only slightly over the \$358,267 to 6337 recipients during January.

General assistance payments in Madison county in February amounted to \$202,308 for 1299 recipients, compared to \$202,711 paid 1307 clients in January. February's general assistance payments totaled \$41,403

for 2140 clients, up from January's \$32,404 to 2132 clients. Blind assistance payments amounted to \$5079 for 36 recipients compared to \$5077 for 37 clients in January, while February payment of disability pensions in Madison county totaled \$153,269 for 985 recipients. In January 977 recipients received \$129,868.

## State Has Increase

At the state level, Swank reported, increases in Aid to Dependent Children and disability pension programs more than offset decreases in old age assistance, blind assistance and general assistance.

Total February expenditures in Illinois were \$42,293,208, an increase of \$2,139,070 over January and \$4,910,953 over February of 1968.

The state's February caseload included 400,206 persons on assistance to the aged, blind or disabled and aid to dependent children receiving money grants and eligible for medical care; \$5,644 eligible for medical assistance only and 74,138 on general assistance.

## Youth Tournament Winners Announced

Local winners and runners-up in the 10th annual "Youth Singles Tournament," sponsored by the Illinois Bowling Proprietors Association, were announced today by Mrs. Ann Burton, youth bowling coordinator at Bowland Lanes.

The tournament started March 22 at the local lanes with 36 youthful contestants participating on various dates. The contest concluded last weekend. Boys and girls competed in three divisions—prep (12 years and under), juniors (13-15) and majors (16-18).

Those receiving trophies are: Prep — Cindy Allison and Aaron Graham; juniors — Greg Robertson and Karen Rotter; and majors — Paul Bowler and Jack Pritchard, tied.

Also eligible to advance to the next stage of the tournament on May 24-25 at the Midway Bowl, Belleville, along with the Belleville winners, are Mike Atchison, Jim Burton, Mike Blattner, Charles Ringling, Keith Mathis, Keith Fong, and Jones and Robin Corbett; and juniors — John Fleener, Richard Walker, Denise Hanna and Cindy Eads.

Affiliate tournament winners are then qualified to enter state competition, to be held in the summer months.

## Special Vote For Con-Con Delegates Set

A compromise plan for conduct of an Illinois Constitutional Convention which calls for a special primary election Sept. 23 and a special general election Nov. 18 to name delegates, was agreed upon in Springfield Tuesday by members of the House-Senate Conference committee.

The proposed legislation also will provide a convention opening on Dec. 8 in Springfield. The bill, which is still subject to adoption by both houses of the legislature, provides that delegates would be elected on a non-partisan basis. All public officials, including legislators, would be eligible to serve at the convention.

Final candidates are to be nominated in the primary from each of the state's 58 Senatorial Districts, but if four or fewer candidates file in any district, no primary will be necessary. Two of the nominees will be elected as delegates in the general election in each district. Candidates running for the delegate posts will be required to file nominating petitions bearing at least 1000 signatures.

**\$5000 Base Salary**  
The committee also fixed salaries of delegates at a \$5000 base, payable at the rate of \$625 per month, not to exceed eight months. The delegates also would receive \$75 a day for services not exceeding 100 days, a \$120 postage allotment, 15 cents a mile for travel to and from the convention site and food and lodging expenses not to exceed the legislative scale.

The president of the convention would receive \$1500 a month and the vice-president \$1200 plus the other compensation for delegates.

If public officials are elected, however, they would receive no pay for mileage, postage and actual expenses.

The legislation is set up as an emergency measure which would become effective immediately upon passage and is signed by Gov. Ogilvie.

## Injures Foot in Fall

Mrs. Mary Spicer, 35, of 2108 St. Clair avenue, underwent x-ray of the left foot at St. Elizabeth Hospital at 7:35 p.m. Wednesday, after she slipped and fell in an East Alton department store. She was released following treatment.

## PFC DWAIN BRIDGES Wins Honors

## Marine Honor Award For Pfc Bridges

Pfc Dwain Bridges, son of Mr. and Mrs. Robert C. Bridges, 3405 Franklin avenue, was honored at the San Diego Marine base graduation on Monday, as Platoon Honorman. This honor entitled him to receive his dress blue uniform, which is awarded by Leatherneck Magazine to the outstanding recruit of the platoon.

Lt. Col. S. G. Faulk, commanding officer of the base, in a letter to Pfc Bridges parents, said: "In order that you may have a complete understanding of Pfc Bridges' accomplishment, it should be noted that he won this coveted award in competition with 75 men, all of whom entered the Marine Corps and progressed through training with him."

"From that number and from the recommendations of the drill instructors, the Marines in the platoon who displayed the highest order of skill and professional knowledge in a wide range of basic military subjects were closely examined."

"After considering the knowledge, conduct, attitude, military bearing and leadership potential of all the candidates your son was judged most worthy to receive the Marine Corps Dress Blue Uniform and accompanying rank of private first class."

While in basic training Bridges, served as squad leader and was also awarded an expert marksmanship medal. He is at present taking a two week course in advanced combat training, at Camp Pendleton, after which he will return home for a 20 day leave.

## Harold Nelson, 52, Former Electrical Contractor, Dies

Harold Nelson, 52, former electrical contractor, died early this morning at St. Mary's Hospital in St. Louis county where he had been a patient for the past two months. Death was due to cancer following an illness of four months.

A lifelong resident of Granite City, Mr. Nelson had resided in Washington Park for the past year. Before entering the electrical business, he had been an employee of the Granite City post office over 20 years. For the past three years he has been associated with Nelson Construction Co.

He is survived by his wife, Jean; a daughter, Ann, by a previous marriage, who resides in New Bedford, Mass.; his mother, Mrs. J. E. Nelson of Granite City; two sisters, Mrs. Selma Nelson of Granite City, a counselor at the Granite City senior high school, and Mrs. Kenneth (Florence) Betts of Rankin, Ill.; one brother, Clyde of Richmond Heights, Mo., and Nelson Construction Co.

Mr. Nelson, a veteran of world war II, served over three years in the U. S. Army and received two Purple Heart Medals while on duty in the European theater. He was a member of Carpenters Local 633, the Elks Club and Veterans of Foreign Wars.

Funeral arrangements are given in today's obituary column.

## Annual Meeting Set At Neighborhood House

The seventh annual meeting of the Leslie Bates Davis Neighborhood House, 1200 N. 13th street, East St. Louis, will be held Wednesday, May 6, beginning with tours of the building at 11 a.m., followed by luncheon at 12:15 and a program highlighting the events of the year. Reservations for the luncheon must be made in advance. The tickets are \$1.50 each.

Officers will be installed. They are Mrs. William Appleton, president; Belleville; Mrs. Melvin Best, vice-president; Collinsville; Mrs. John Lewis, secretary; and Mrs. Lawrence Meyer, treasurer, both of Belleville.

The Neighborhood House is a United Fund and Methodist Church sponsored organization and members of local Methodist churches will attend the meeting.

have a 1969-70 deficit of \$2.5 billion.

"If there were no tax increases," he continued, "we would have to cut services. Where would we cut? In education, public aid? If the state cut every existing service cost by one half, we would only breakeven on our present tax income."

He described the Illinois tax burden as one of the lowest in the country. "Illinois has depended a great deal upon the sales tax — but that's not enough," he said.

**Prefer Some Restrictions**  
In a question and answer period that followed Cotton's talk, Mayor Donald Farney of Granite City and Mayor Stephen Maers of Madison admitted that a state income tax is

the fairest method of taxation and admitted its need, but both expressed opinions that the tax should not be added in its entirety to present tax burdens. Maers said he believed the income tax should be adopted, but said "I would like to see the removal of the personal property tax."

Cotton spoke following a dinner served on the second floor of the fire hall.

Mayor Glenn Burgess of Centerville was elected to fill the unexpired term of Thomas Kinsella, Swansea, as president of the conference. Kinsella was defeated for re-election in April 15 municipal elections.

Attaché cases were presented as gifts to Mayor Barney Metz of Dupe, former president of the conference, and to Mayor Raymond Rogers of Edwardsville, both of whom are leaving their offices.

## TRUMP 307 FLY UP

Brownie Troop 307, sponsored by Nameoki School PTA, held a fly up and bridging ceremony Monday evening at the Granite City Army Depot Officer's Club ballroom.

Nannette Robell, Theresa Skinner and Lavonda Burcham were assisted by Melodie Heeger and Andrea Miles of Junior Girl Scout Troop 143 of Nameoki school as they opened with the ceremonies.

Members of the Junior Girl Scout Troop 143 participated in helping the Brownies cross the bridge where they were presented with their wings by Mrs. Leona Johnnesse prior to the crossing and then were pinned by Mrs. Albert Heeger and Mrs. Bruce Wright, leaders of Troop 143, as they were assisted by Jackie Reeves.

Mrs. Brenda Palmer arranged the refreshments, which the girls had purchased with their dues.

Spring punch was served from crystal punch bowls. A centerpiece of yellow and green feather flowers with an arch and yellow uppers complimented the table. Mrs. Glenda Osborn was in charge of the elaborate decorations. Others present were the co-

## VHS Students Mark Student Gov't Day

Venice high school students elected to fill the positions of city officials observed Student Government Day Wednesday as guests of the city. The group of 15 students visited the Venice police, fire and street departments, inspected pumping stations and the bridge management office and were guests of Mayor John E. Lee and other city officials at a noon luncheon in the new Venice park district building.

Prior to the luncheon, Mayor Lee, City Atty. Harry E. Hartman and Comptroller Carl Byrnes outlined to the students the financial and legal operation of municipal affairs in half hour session in the Venice city council chamber.

Members of the group were elected by the Venice high school student body. They included: Margie McGarran, mayor; Maria Brawley, city clerk; Albert Turner, city attorney; Mary Ann Fields, comptroller; Betty Fields, treasurer.

Joan McGarran, city engineer; Stuart Kutz, bridge manager; Rosemary Daniels, police chief; Kirk Reidenberger, chief; Linda Sveda, humane officer; and Jerri Gray, building inspector.

The aldermen were — Sharon Maurer, Bill Young, Nina A. Watts and Margie Graham.

## NEW TROOP MEETS

Newly-formed Brownie Troop 483 met Tuesday at the home of the leader, Mrs. Sharon Ruffin. The group opened the meeting with the Brownie Promise and sang a song for the investiture.

Refreshments were served by the leader to Debra Ruffin, Lorinda Grasso, Lisa Henderson, Barbara Wettergren, Leesa Denham, Tina Hulse, Debbie Meyers, Karen Williams, Rochelle Harming, Jabin Taber, Kathy Hopkins, Robin Jorgenson, Joyce Houghton, Celora Bates and Kimberly Wilson.

Mrs. Jacqueline Meyers, co-leader, assisted in the ceremony and program.

Brownie Troop 254 held a cook-out Monday at Cahokia Mounds state park with their leaders, Mrs. Margaret Polter and Mrs. Dorothy Copeland. Roll call was taken and each girl responded with the name of an animal.

Permission slips and dues were collected and games were played. A discussion on the value of friendship was followed by a hike to the top of the mounds.

Plans were made to hold a "fly up" ceremony on Friday, May 8, combined with a mother-daughter banquet. Invitations and other details will be given at the next meeting, the leaders said.

Hot dogs and other refreshments were served to Robin Copeland, Rhonda Cline, Bobby Becker, Tammy Woodward, Colleen and Bridget Ellis, Dawn Larson, Judi Lassen, Connie Lewis, Paula Cook, Loraine Leumann, Joanne Cox, Kathy Wilson, Mrs. Betty Cline and Dale Polter, parents of troop members, Denise Copeland and Pat and Bobby Polter.

Troop members expressed their appreciation to one of the park rangers who assisted the group and filled in as their first aid officer at the cook-out.

## Traffic Engineer Addresses Rotarians

Traffic engineers are striving through planning and use of uniform control signs and devices to improve safety on the nation's highways, members of the Madison Rotary Club were advised at yesterday's luncheon meeting.

The speaker, Martin Altman of Crawford-Bunte-Roden Co., traffic engineers, said the present 84 million cars in the U. S. travel about 780 billion miles a year, and the number of cars is expected to increase to 100 million by 1970.

He added that vacationing Americans traveling by auto spend \$29 billion a year. At present, there are 3,700,000 miles of highways in the country, with 128,000 in Illinois. It is almost possible, he added, for a motorist to travel from this area to New York—non-stop.

Richard Sues presided at the meeting attended by 25 members.

## City Election Judges Plan Protest Monday

Polling place judges in the April 1 city election in Granite City who have not received their pay are planning to appear at next Monday night's council session to voice protests.

Payments have been delayed, it was brought out during this week's council meeting, because of the council's instruction for the city and township to share the costs of election judges' pay where the same judges handled both the city and township ballot counts. A related story appears on page 27 of today's issue.

Several of the judges informed the Press-Record yesterday they had been promised double pay and were expecting it after the council on April 21 approved total pay for township election judges and the city election judges. "We've been lied to and ignored," they stated.

## Pastor Outlines City Officials' Responsibilities

The responsibilities of elected officials were outlined for Granite City council members by Rev. Arvin Twittemyer prior to the prayer to open the council session Monday night.

Rev. Twittemyer, pastor of Concordia Lutheran Church, told council members he felt an introduction was necessary to express a belief that "the lack of sensation of responsibility to higher authority is the plague which is breaking down our society in every level."

The text of his introductory remarks follows:

"It is—and you want it to be, and we citizens want it to be—the concern of Granite City's citizenry what is done in this hall.

"It certainly is a high error to believe that the Mayor and the Councilmen of Granite City are here by chance, nor are you here merely because of the will of a majority of the electorate.

"The structure of society is a real concern of God. That there are stations of people is God's will.

"Through the Apostle Paul, God announces His support of government when He moves that Apostle to insist that 'Whoever resisteth the power of (government) resisteth the ordinance of God.' (Romans 13)

"You men occupy positions and orders which owe their very existence to the sustaining will of God, actually to His very ordinance—and you men pass enough ordinances to know what an ordinance is.

"And one who occupies one of God's ordered positions becomes a man who is special and unique, for he is most certainly representing God's will among the citizenry. God has a distinct will for all the people of Granite City—it is a will which does not favor one geographical group of citizens above another, and it is a will for the continued growing good of each of us in town.

"Consequently, it becomes absolutely incumbent upon each of you to reflect the good will of your and our God for our community. From this position it is clear that it becomes degrading to Him, by whose authority you hold office and whose authority you wield, for any bickering, pettiness or dishonesty either to appear or hide in the proceedings of this Council.

"You have a mighty task to perform. The greatest of which is not the problems of Granite City, but rather the vicissitudes of human hearts, particularly your own. I know whereof I speak, because I, also in authority, have my keenest problems with myself."

## 2 Ozark Opry Shows Sunday at GC High

Lee Mace and His Ozark Opry Show will be presented on Sunday in the auditorium at Granite City High school under the auspices of the Boosters of the Fighting Warriors. Performances will be given at 2 and 8 p.m.

Tickets for the country-western variety shows still are available at four locations in Granite City, or may be purchased at the auditorium door immediately before each performance. Emerald Dawes, Booster president said today.

Advance ticket sales, at a cost of \$1.50 for adults and \$1 for high school age students, are being handled at Graham's book store; Glick's department store, Bellemore Village shopping center; Maryland Bi-Rite Market on Pontoon road; Tratter's Men's and Boys' shop, Nameoki Village shopping center, or from Booster members.

Proceeds from the two shows are to be used in furthering athletic programs at Granite City high school and to complete construction of a press box at the high school athletic field, Dawes said. Membership in the Booster's Club is open to any adult interested in the local school's overall athletic program.

## GC Police to Enforce City Auto Sticker Law

Granite City police will begin enforcement of the city auto license ordinance in the near future, according to Police Chief Ronald Veizer.

The city officers were due to be displayed on windshields today, the deadline.

Short lines were formed yesterday and today at the office of the city clerk at the city hall as some motorists were meeting the deadline at the last minute.

Last year 14,540 stickers were sold, and sales as of yesterday passed the 7300 mark. Chief Veizer said the date of the drive will hinge on the number of sales remaining.

**SIU-SW Teacher Grads Staying In Illinois**

Southern Illinois University-Southwestern campus and the state of Illinois appear to have reached a happy medium when it comes to recruiting local teaching talent, according to a report from the University's placement service.  
Since 1962, more than 75% of all teachers graduated from SIU-SW have chosen to teach in Illinois. During this seven-year span, an average of 265 teachers per year graduated from the University have chosen not to take their talents elsewhere. Almost 50% of SIU's 1182 teacher graduates from the Southwestern campus are teaching in Madison county. St. Clair county follows with slightly above 30%.  
The report also noted that inexperienced classroom teachers from SIU-SW are averaging \$6028 per year, an approximate \$1500 hike from 1962.

**Postal Unions Plan Pay Increase Support**

For the first time, the major postal union representing 700,000 employees have organized a "United Pay Front" to press for new legislation in Washington which would guarantee clerks and carriers have a minimum 17% wage increase in July.  
Glenn T. Bartling Jr., Local 182 president, United Federation of Postal Clerks, said today the action is the union's answer to "the inadequate 4.1% pay raise proposed by the administration as the third and final pay adjustment under the 1967 Salary Reform Law." He pointed out that the coordination of union tactics nationally, as well as locally, is without precedent.

Bartling added that the focus of combined union support is H.R. 10000, sponsored in the House of Representatives this month by Rep. Arnold Olsen (D-Mont.), a senior member of the House Post Office and Civil Service Committee.  
Under long term provisions of the bill, senior clerks and carriers with upwards of 30 and 40 years service for the first time would be able to break the \$10,000 wage barrier. More immediately, a minimum 18.5% pay increase across the board would be enacted in fulfillment of promises dated back to the Kennedy administration that wage comparability with private industry will be achieved, the local official said.  
Bartling explained that between now and mid-June each of the major postal unions will be sending thousands of delegates to Washington in a planned sequence of legislative conferences designed to impress the 91st Congress with the urgency of our needs." He said a large number of Illinois postal clerks are planning to go to Washington for the final conference series on June 1-11, which is expected to rally over 300 clerks from around the country in "a super-lobbying effort on Capitol Hill."

**Dr. Koch Re-elected To Family Service Unit**

Dr. Felicia Koch was re-elected to the board of directors of the Family Service Agency of Southern Illinois at the annual meeting Monday in the East St. Louis office.  
Re-elected officers for the new year are Mrs. Lloyd C. Farquhar, president; Mrs. Harold G. Baker Jr., executive vice-president; Dr. Philip M. Auner and Edward F. O'Malley, vice-presidents. Elected for a first term of office were Mrs. W. C. Scrivner, vice-president; Mrs. Frank Woodson, secretary, and Mrs. Charles J. Hoffman, treasurer.  
Mrs. W. H. Link and Rabbi Stanley E. Kroll also were re-elected to serve on the board of directors, while the new board members include Mrs. John W. Culvert, Rev. Joseph C. Hays, Mrs. William R. Popkess, Mrs. Edward J. Szwercyk and Rev. John E. Tunstall.

**Travelers Abroad See Slides on South Africa**

Mr. and Mrs. Ernest Veith were the featured speakers at the monthly meeting of Travelers Abroad Monday evening at Prather Junior high school library. They spoke and showed slides of their tour of the Kruger Wild Life Game Preserve in South Africa.  
After the program, refreshments were served to about 20 members. Plans were announced for the final meeting of this year when the club will attend a dinner meeting on May 25 at the Rose Bowl. Miss Lucinda Buck will be the guest speaker and her topic will be on northern Africa.

# Warriors Place 2nd as Alton Wins County Track Meet Here

Granite City high school gave a hometown crowd something to cheer about by finishing second in the big school red division at the annual Madison county track meet hosted by the local Warriors.

And a pair of Madison high school sprinters added lustre to the Quad-City effort, though the Trojans finished fourth in the small school green division.

Alton won the red division meet with 70 points, followed by Granite City with 59½, Collinsville with 53½ and Edwardsville with 53.

Wood River captured the green division field with 61 points, followed by Triad with 48, Roxana 47, Madison 32, Bethalto 25, Highland 16, St. Paul 4 and Marquette 3.

An important new county meet record was set by Warrior Mike Allen in the 180-yard low hurdles on a curve in the time of 21 seconds. Other new meet records were: Steve Birger, Collinsville, discus (175'11"); Renken, Edwardsville, two-mile run (9:57.5); Doug Mendenhall, Alton, pole vault (12'6"); M. Johnson, Alton, 440-yard dash (48.8).

Three runners tied the meet record for the 100-yard dash in a clocked time of 10 seconds. The officials judged the 100 dashers to finish in the order of Bradshaw from Edwardsville first, Murphy from Alton second and Jim Jones from Granite City third.

Warriors who collected points to contribute towards winning the second place trophy were: 880-yard run, Jim McDuffy, 1st (2:01.7); John Frazier, 3rd (2:02.4); long jump, Jeff Jack-

son 2nd (10'10"); 880 relay, 2nd, (Mark Lakatos, Dennis Gille, Don Smith, Jim Jones), (1:31.8); pole vault, Mark Twietmeyer, 5th (10'6"); 400-yard dash, Ken Eliff, 3rd (2:20.5); 220-yard dash, George Tyus, 1st (23.3); Edward Chandler, 3rd (23.8); mile relay, Madison 3rd (Fred Franklin, Jerry Smith, Tex Holmes, Oscar Hampton), (3:40.4).

## PRESS-RECORD SPORTS

Page 8 Thurs., May 1, 1969 Granite City PRESS-RECORD

**MADISON QUICKEN.** (left) holds his second-place award and double winner George Tyus accepts the first place award in the 100 yard dash from Granite City's Elaine Willared.

**Warrior Nine Drops Pair, Tops E. Side**  
The baseball Warriors went into a two game slump starting Monday at Columbia, 7-1 and lasting through a Tuesday 8-0 swamp away from home at Belleville East against pitcher Jim Johnson (allowed 2 hits). Wednesday, the Warriors rose from the dumps and whipped East St. Louis, 9-3.

It was cold for football at Columbia Monday. Coach Garbe said, "It was the worst game we've played this season and one of the worst we've played in years."

The only Granite run came in the first inning. Jerry Monahan displayed another "Monahan Special." He singled, stole second, Jim Becker advanced him to third and he scored on a wild pitch.

Warrior starting pitcher Eddie "Hags" Hagauer described the beginning of Tuesday "Waterloo" at Belleville East. "When I was warming up, I felt great. But before the first pitch went in, I felt terrible."

"The first pitch went all the way to the screen. The second went right down the middle. And the third pitch was a spine tingler, it hit him square in the back."

Hagauer was relieved, after four runs by Steve Harris. The Warrior fielders erred seven times.

The Warriors garnered more runs than more runs than they have at any other game this season on Wednesday.

Jeff Boyles held East St. Louis to four hits while striking out eight.

GC began scoring in the first inning as Jerry Monahan won first place in the 100-yard dash, 220 and broad jump events.

First place wins were scored by George Briggs, who broke his own school record in shot put, by throwing 51.2 feet; Rick Speer, 880-yard event; Mike Keiser, low hurdles; George Briggs, discus; Mike Mullineux, pole vault; and John Stagner, an eighth grader, who won first place in the 100-yard dash, 220 and broad jump events.

Second place wins were scored by George Briggs, who broke his own school record in shot put, by throwing 51.2 feet; Rick Speer, 880-yard event; Mike Keiser, low hurdles; George Briggs, discus; Mike Mullineux, pole vault; and John Stagner, an eighth grader, who won first place in the 100-yard dash, 220 and broad jump events.

Third place wins were scored by George Briggs, who broke his own school record in shot put, by throwing 51.2 feet; Rick Speer, 880-yard event; Mike Keiser, low hurdles; George Briggs, discus; Mike Mullineux, pole vault; and John Stagner, an eighth grader, who won first place in the 100-yard dash, 220 and broad jump events.

Fourth place wins were scored by George Briggs, who broke his own school record in shot put, by throwing 51.2 feet; Rick Speer, 880-yard event; Mike Keiser, low hurdles; George Briggs, discus; Mike Mullineux, pole vault; and John Stagner, an eighth grader, who won first place in the 100-yard dash, 220 and broad jump events.

Fifth place wins were scored by George Briggs, who broke his own school record in shot put, by throwing 51.2 feet; Rick Speer, 880-yard event; Mike Keiser, low hurdles; George Briggs, discus; Mike Mullineux, pole vault; and John Stagner, an eighth grader, who won first place in the 100-yard dash, 220 and broad jump events.

Sixth place wins were scored by George Briggs, who broke his own school record in shot put, by throwing 51.2 feet; Rick Speer, 880-yard event; Mike Keiser, low hurdles; George Briggs, discus; Mike Mullineux, pole vault; and John Stagner, an eighth grader, who won first place in the 100-yard dash, 220 and broad jump events.

Seventh place wins were scored by George Briggs, who broke his own school record in shot put, by throwing 51.2 feet; Rick Speer, 880-yard event; Mike Keiser, low hurdles; George Briggs, discus; Mike Mullineux, pole vault; and John Stagner, an eighth grader, who won first place in the 100-yard dash, 220 and broad jump events.

Eighth place wins were scored by George Briggs, who broke his own school record in shot put, by throwing 51.2 feet; Rick Speer, 880-yard event; Mike Keiser, low hurdles; George Briggs, discus; Mike Mullineux, pole vault; and John Stagner, an eighth grader, who won first place in the 100-yard dash, 220 and broad jump events.

Ninth place wins were scored by George Briggs, who broke his own school record in shot put, by throwing 51.2 feet; Rick Speer, 880-yard event; Mike Keiser, low hurdles; George Briggs, discus; Mike Mullineux, pole vault; and John Stagner, an eighth grader, who won first place in the 100-yard dash, 220 and broad jump events.

Tenth place wins were scored by George Briggs, who broke his own school record in shot put, by throwing 51.2 feet; Rick Speer, 880-yard event; Mike Keiser, low hurdles; George Briggs, discus; Mike Mullineux, pole vault; and John Stagner, an eighth grader, who won first place in the 100-yard dash, 220 and broad jump events.

Eleventh place wins were scored by George Briggs, who broke his own school record in shot put, by throwing 51.2 feet; Rick Speer, 880-yard event; Mike Keiser, low hurdles; George Briggs, discus; Mike Mullineux, pole vault; and John Stagner, an eighth grader, who won first place in the 100-yard dash, 220 and broad jump events.

**GC Nemen Win Two, Lose to Cadosco**  
The tennis Warriors won at Alton Tuesday, 4-1, and won Wednesday at Assumption, 5-0, but lost Monday to Country Day 4-1.

Tuesday at Alton, John Van Buskirk won 6-0, 6-1 over Bob Simpson. Mike Loftus lost to Jack Groppe, 2-6, 7-5, 3-6. Mike Gaines defeated Dave Livingston, 6-0, 6-1. Keith Nagy and Jim Carlie trapped Jim Johnson and Jay Barnett, 6-3, 6-0. Joe Van Buskirk and Dave Pieper stung Ken Barnett and Jerry Carpenter, 6-2, 6-1.

At Assumption, John Van Buskirk chopped Ken Grommond, 6-1, 6-2. Loftus cracked Terry Bolser, 6-0, 6-2. Gaines brutalized Bob Keefe, 6-1, 6-0. Carlie and Nagy blanked Jim Derbin and Van Johnson, 6-0, 6-0. Joe Van Buskirk and Pieper vanquished Bill Hagen and Jim Palovich, 6-1, 6-0.

## Who takes the worry out of being close?

**We do.**

When you're running through water that might conceal rocks, stumps or other obstructions, and you have an outboard equipped with a shear pin, you worry. Because when your propeller hits an underwater obstruction, your shear pin snaps. Then you don't go anywhere—until you replace that pin.

Mercury outboards have a shear-pin drive instead of shear pins. We attach prop to drive shaft through a live-rubber safety clutch that "gives" when you hit something—then resumes running.

Ever more security: Mercury's one-piece drive shaft housing and one-piece lower unit provide rugged, lightweight, streamlined castings. No nuts, bolts or gaskets to loosen or leak—water stays out, lubricant stays in.

Our new '69 Mercs go a long way to keep you out of trouble. Stop worrying... come in and be convinced.

## Registration Set for Mitchell Girls League

The Mitchell Athletic Club will accept registrations for formation of a girls softball league for youngsters of seven to 16 years old from 6 to 8 p.m. Friday in the Mitchell school gym.

Girls in the Quad-City area are invited to participate. The registration fee is \$2. Officials and managers also are being sought.

The league season is scheduled to start on May 10 and will continue for 12 weeks, with games to be played Saturdays and Sundays at the old St. Elizabeth parish grounds.

## Deer Hunting Permit Applications in June

Sportsmen who will hunt deer on land they own and live on may apply for free permits beginning Sunday, June 1, William L. Rutherford, director of the Illinois Department of Conservation, announced today.

Absentee owners of farmland may purchase permits for \$5 from June 1 through June 20 to hunt on their farms. Applications for these permits must be approved by conservation officers assigned to counties in which the farms are located.

Starting June 23, all other sportsmen may apply for permits. Applications postmarked prior to June 21 will be returned to the sender. Bow hunting permits will be issued starting June 1.

The deer season is divided into two 3-day weekends. The first begins Friday, Nov. 21, and ends Sunday, Nov. 23. The second is from Friday, Dec. 12, through Sunday, Dec. 14.

The first portion of the bow season will begin Wednesday, Oct. 1, and ends Sunday, Nov. 16. The second portion will begin Monday, Nov. 24, and end Wednesday, Dec. 31, except that

no bow hunting will be permitted Dec. 8-14.

Seventy-one counties will be open for deer hunting with shotguns or muzzle-loading rifles again this year. The entire state is open for bow hunting.

Gun permit quotas have been reduced in two counties. Research over the past two years by Dr. Richard Andrew of Eastern Illinois University and Jack Cahoon, leader of the department deer project, indicates the white tail herd in the northern part of Pope county has been severely overharvested since 1964.

This year's quota for north Pope county is 3500 permits, 1500 fewer than were available in 1968.

Hunting pressure in the southern part of Pope county has not been excessive; therefore, the permit quota there remains at 2000.

Due to a decrease in deer kills in Winnebago county in recent years that county's permit quota has been lowered.

Rutherford said he will adhere strictly to recommendations of game technicians regarding the number of permits to be issued.

## Brave Trackmen Shine, Cop Roxana Events

The well-polished Coolidge trackmen left other participants at Roxana Monday talking with "Shinola-coated tongues."

The 7th grade division scores were Coolidge 85, North of Collinsville 41, Roxana 31, Wood River 28, eighth grade, Coolidge 74½, Roxana 70½, Wood River 35½, North of Collinsville 23½; ninth grade, Coolidge 77, Roxana 37, North of Collinsville 31.

Coolidge seventh graders who came home with the cleanest track shoes by finishing first were: Dale Williams in the 100-yard dash and the 220-yard dash for a new school record of 25.3 seconds; Walter Milton in the 440-yard dash and the 880-yard run; and Ted Gregus in the 120-yard high hurdles and the high jump.

Eighth grade Braves John Stagner and Dennis Revelle finished 1st and 2nd respectively in the 100-yard dash, were members of the winning 880-yard relay team and finished first in a dead heat in the 220-yard dash for a new school record of 25.1 seconds.

Coolidge's ninth grade first placers were Jim Childers in

the long jump (18' 11½"), 220-yard dash (24.3) and the 120-yard LH (15.2); George Briggs in the shot put (49' 9") and the discus (149' 9"); Mark Spear in the 440-yard dash and Norman Lazoroff in the 880-yard run.

Spear and Lazoroff are yet to be beaten this season in these events.

Other Braves who contributed with superior efforts are Gary Schwendeman, Larry Haddix, Dave Groupe, Brad Hiles, Jerry Hopper and Rich Gouy.

## Prather 9 Defeats Edwardsville 5-3

At Prather's home diamond Monday, Prather came from behind to defeat Edwardsville, 5-3.

Prather now has a 4-1 record for the season after losing last Friday to Roxana, 1-0.

Frank Baran was the winning pitcher against Edwardsville. He had entered the game in the fifth inning with the bases loaded and allowed no hits for the remainder of the game.

Getting important hits for Prather were Jim Birdsong (2-3), Ralph Tuhse (2-3), Al Fowler, Jim Forester, Howard Ebertson and Norris Egbert.

## John VanBuskirk Will Attend Hardin-Simmons

John VanBuskirk, star tennis player for Granite City high school, has signed an athletic scholarship agreement with Hardin-Simmons University, Abilene, Tex. Athletic Director Paul Lambert announced today.

VanBuskirk, who is captain of the Granite City team and a highly-ranked player in the state and nation, will enroll at H-SU next fall and be eligible for competition on Coach Phil Tinsworth's varsity team as a freshman. He is the son of Mr. and Mrs. Cameron VanBuskirk of Granite City.

A four-year letterman, he has compiled a record of 46 wins and only six losses. Three of the losses came during his sophomore year. He finished third in singles last year as a junior in the Illinois state high school tennis tournament. His other accomplishments include: Placing second in Missouri Valley junior doubles competition.

Reaching the quarterfinals in the Western Tennis Tournament in doubles.

Reaching the quarterfinals in the national junior doubles competition.

Being currently ranked 17th in the nation in junior doubles.

He is six feet, one inch tall and was co-captain of the Granite City basketball team this past season, with a scoring average of over 10 points per game, plus defensive and play-making ability. He likely will play freshman basketball at Hardin-Simmons, but will concentrate on tennis, Lambert said.

"John is the type of athlete we are seeking at Hardin-Simmons," Lambert added. "He not only possesses skill and

**SIGNING PROCLAMATION FOR ESA International Week May 1-7** is Mayor Donald Partney. Standing, left to right, are Gerry Mendez, president of Alpha Xi Chapter; and Nancy Sabo, president of Epsilon Eta Chapter.

## ESA Founders Day Proclaimed

May 1 to 7 will be observed as ESA International Week by chapters of Epsilon Sigma Alpha, a women's organization devoted to philanthropic, educational and social endeavors, which is beginning its 40th year of service to communities, states and nations.

Nearly four decades ago, a group of outstanding women conceived the idea of a sisterhood based on the finest standards of character. This ideal was to be achieved through the close association of women studying together to develop such qualities as graciousness, self expression and leadership in an organization devoted to using these abilities in the service of mankind.

They selected Epsilon Sigma Alpha as the name of their organization and the first chapter was installed in Jacksonville, Texas, in 1929. Many famous educators and other prominent women helped found ESA.

The several local chapters will join in the various events planned for the week.

## WHITILE BY WHITILE CLUB NAMES QUEEN

Mrs. Jo Gipson was crowned "Queen of the Week" as the Whittle By Whittle Club, a member of the Take Off Pounds Sensibly national organization, met Monday evening at the Levee District building. The queen was presented with a jeweled tiara.

Mrs. Vernie Von Nida, leader, opened the meeting, and the weigh-in was conducted by Mrs. Rosalie Bronnbauer.

Mrs. Shirley Sobolewski gave a report on two weight contests being conducted — the "Egg Basket" contest and the "eight-week contest" which will end next week. The evening's prize winner was Mrs. Helen Patterson.

Mrs. Bronnbauer conducted the charm ceremony and receiving charms were Mesdames Jo Gipson, Elvira Sharp, Gloria DeRuntz, Edith Harris and Kathy Pfaff. Mrs. Betty Young was presented with a charm for reaching half way to her goal.

A theme on "Tops," written by Sandra Ruhl, daughter of a member, Mrs. Norma Ruhl, was read. It had received high praise by an English teacher.

Mrs. Ruhl recently was graduated as a "Kop" at ceremonies held in Peoria. Kops is a group formed from the Tops club which means Keep Off Pounds Sensibly.

### Guest Day

The annual guest day meeting of three of the Granite City Federated Clubs, the Ladies Coterie, Lesche Literary Club and the Nameoki Women's Club, was held Wednesday at St. John United Church of Christ on Nameoki road.

Lunch was served at 12:30 to 130 members and guests seated at tables decorated with arrangements of pink rose buds, lilies of the valley and greenery. The rose theme was used in all of the table appointments.

At the head table were the club presidents, Mrs. Dawson Wade, Ladies Coterie; Mrs. John Gordon, Lesche club; and Mrs. Russell Johnson, who heads the Nameoki Women's Club, together with Mrs. Wilson Schmeisser of Troy, president of the 22nd District, IFWC, Mrs. Joyce Udry of Pekin, Ill., who presented the program, and others.

Mrs. Gordon gave the welcome address and the invocation was offered by Mrs. R. E. Chapman.

The program presented by Mrs. Udry, a well known author, dramatist, and makeup artist, portrayed "Women of the Bible." Mrs. Udry has been accepted by the Illinois Federation of Club Women's Program Bureau in Chicago.

## BROWNIE TROOP 47 PLANS INVESTITURE

Plans were made for an investiture ceremony for 14 new members of Brownie Troop 47, sponsored by the Niedringhaus PTA, during the regular meeting at the school Tuesday afternoon with leader, Mrs. Jo Ann Dix, assisted by Mrs. Jeanette Holder, Mrs. Norma Macios, Mrs. Barbara Schreiber and Mrs. Agnes Butler.

The prospective members answered roll call with their favorite name and the older Brownies answered with the titles of story books. Mrs. Dix and Mrs. Schreiber read the new girls as they made invitations to their mothers for the May 6 investiture ceremony at 3:30 p.m.

The older Brownies worked on an arts and crafts project for Mother's Day, and several of the girls sang the first year Brownies "The Hatcher" song.

Answering roll call were Jacklyn Bogasian, Stephanie Brandt, Mary Ann Colbert, Pat Cook, Lisa Curtis, Julie Daniel, Elizabeth Dehn, Terri Deterding, Diane Dix, Dava Gibson, Debra Fickler, Linda Holder, Beth Hutchings, Lori Jones, Kathy Koyak, Donna Lathrop, Karen Lawrence, Laura Lee, Janet Lewis, Jane Mateosian, Paula Milton, Karen Macios, Karlene Powell, Brenda Rutledge, Becky Sage, Renee Sharp, Linda Hagler, Lisa Shelton, Karen Shemona, Karen Correll, Lori Stacy, Sandy Thompson, Mandy Walker, Kathy Walker and Janice Wallace.

**RECENT BRIDE.** Mrs. William R. Hagen, the former Sandra Jean Parson, a daughter of Mr. and Mrs. Elmer Parson, 2803 Harding Blvd. She was married at Dewey Avenue United Methodist Church.

## Stuart-Washenko Nuptials

The wedding of Miss Mary Ann Washenko, a daughter of Mr. and Mrs. John Washenko, 2020 Meridian street, and Barry Stuart, whose parents are Mr. and Mrs. Griffin Stuart, 2549 Center street, took place Monday evening at St. Mary's Roman Catholic Church in Madison.

The double-ring ceremony was performed by the Rev. Engelbert Blenk at 7:30.

The bride's sisters, Misses Barbara and Geraldine Washenko, and Richard Bledsoe and Vincent Anthony Debevo were attendants.

A reception was held at the Washenko home directly after the church service.

## RECEIVES LETTER FROM PRESIDENT NIXON

Mrs. Bernice Apponey, 3008 East 23rd street, received a letter of appreciation this week from President Richard Nixon for two records she sent him on which Mrs. Dolores Boston sings "Trusting in Him" and "Spring Is Here." Mrs. Apponey wrote the songs.

The president thanked her for bringing the compositions to his attention. Mrs. Boston also is from Granite City and has recorded several religious albums.

## Jayceettes Plan Dinner

Plans were completed for a dinner meeting on May 27 by the Jayceettes who met Tuesday evening in the home of Mrs. Betty Lake, 5 Nightingale drive. The dinner will be at The Den, and mothers of the members will be invited as special guests.

Mrs. Janiece Schmidt, vice-president, presided at the business meeting, accepting committee reports from Mrs. Sandy Peterson and Mrs. Carolyn Haldeman.

Mrs. Peterson also gave a review of the events concerning a recent "hobo dance" held at the Jaycee Hall.

Mrs. Haldeman spoke on the conclusion of a recent fundraising project which the special prize winner will be selected by Miss Granite City, Letitia Marrison on May 1. Proceeds of the project will be used for the club's charity programs.

Plans also were discussed for the women's group to sell peanuts and pretzels at the Jaycee Homecoming celebration which will be held in June.

Clothing and canned goods were collected by the club this week for the Illinois State Jaycee project to assist residents of the Appalachia area in Kentucky.

Those named to assist at the immunization clinic at St. Elizabeth Hospital on May 3 were Mrs. Pat McAmish and Mrs. Janet Harman.

Refreshments were served by the hostess assisted by Mrs. Haldeman to those named and to Mesdames Pat Gowan, Mary Nolen, Karen Frazier, Kathy Jeffries and Diane Warnhoff.

## Click-Fallis Engagement

Mr. and Mrs. William M. Fallis jr., 2713 Dale avenue, are announcing the betrothal of their daughter, Miss Donna Joette Fallis, to Al/C Curtis H. Click, a son of Mr. and Mrs. Eastle H. Click, 3040 Dale avenue.

The bride-to-be was graduated from Granite City high school and is presently attending Southern Illinois University-Southwestern campus.

Airman Click, who is home on leave prior to being assigned in the Philippine Islands, was graduated from the local schools. The wedding date has not been set.

The engagement announcement was made at an informal gathering of relatives and friends at the Fallis home.

## Birthdays and Anniversary

A dinner party at the Flaming Pit in Edwardsville Monday evening served as an observance of the birthday of three members of the McGovern family and the wedding anniversary of Mr. and Mrs. Harold Lynn, parents of Mrs. McGovern.

Mrs. Shirley McGovern and her daughter, Mrs. Connie Michael, observe the same day, while the former's husband, Philip McGovern's birthday precedes theirs by one day.

To further complicate the dates, Mrs. McGovern was born on her parents' wedding anniversary date.

Others attending the party were Mr. and Mrs. Charles Stephen and son, a son-in-law and daughter of the honoree's, and sons, Philip, Darren and Sean McGovern.

JUNE BRIDE-TO-BE. Miss Deborah Ann Flowers, who will be married June 7 to Robert E. Tighe.

### June Wedding Is Planned

June 7 is the date set for the wedding of Miss Deborah Ann Flowers and Robert Emmet Tighe.

The engagement is being announced by the bride-elect's parents, Mr. and Mrs. Wilbur C. Flowers, 1701 Ferguson avenue. Mr. Tighe is a son of Mr. and Mrs. Michael J. Tighe, 3061 Chaney court, St. Louis.

The wedding of the couple will take place at the Church of St. Thomas More in St. Louis.

Miss Flowers was graduated from Granite City high school in 1968 and is presently employed at the Army Depot. Her fiancé, a graduate of St. Louis schools, served with the U. S. Marine Corps in Vietnam. He is employed in St. Louis.

### Homemakers Hold Election

The annual meeting of the Madison County Homemakers Extension Association was held Monday in the Student Center Ballroom of SIU-SW campus for an election.

Mrs. Robert Brave of Granite City presented the slate of officers for 1968-70 and Mrs. Marshall McElroy and Mrs. McGee of Granite City, who were named second vice-president and treasurer, respectively.

In attendance at the meeting were 320 members of 31 units in the county, including several from this area.

Among those reporting on Extension activities were Mrs. Marshall McElroy and Mrs. M. J. Hill of Granite City, who discussed the Blind Homemaker Project which they tutored in 1968-69.

A dress was modeled by each of the six visually handicapped women from the Alton area who completed the classes. The dresses were made on sewing machines. Mrs. McElroy and Mrs. Hill emphasized that the classes were sponsored by three agencies, the Department of Children and Family Services, Vocational Rehabilitation and Home Economics Extension.

"Available Roads" was the theme for the day's activities and a highlight of the program was a review of the book "The Absolutely Perfect Housewife" by Dorothy Columbus of Alton.

The club may attend next week's meeting Tuesday at 7:30 p.m. at the District building on Madison avenue.

Ag-Age Question

An election should be held to decide which half of the people will reform the other half.

### Madison Nurse Named EOC Health Specialist

Mrs. Vernon T. Wilson of 1029 Bissell street, Madison, a registered nurse, has been named health specialist for the Madison County Economic Opportunity Commission, it was announced today by Victor L. Darnell, deputy EOC director. The appointment starts Monday.

Mrs. Wilson will help coordinate all medical, nursing and clinical referral services performed by the EOC, Darnell said.

A 1961 graduate of St. Joseph Hospital School of Nursing and a 1958 graduate of Madison high school, Mrs. Wilson has been employed as a registered nurse for the Illinois Department of Mental Health at Alton State Hospital, and at St. Elizabeth's Hospital. She is a member of the West Madison Women's Achievement Club.

### Dow Chemical Worker Injured in Fall

Lyman Dainton, 55, of Belleville, an employee at Dow Chemical Co., was admitted for observation and x-rays at St. Elizabeth Hospital at 7 p.m. yesterday after he sustained a small laceration near the right eye and facial bruises in a fall at work.

A company guard told hospital authorities that the man was stepping from a forklift truck when he tripped and fell face forward into the forklift mechanism. His condition today is fair.

### MORE ABOUT Driver

came out of a tavern and group of youths who told Wright to "get going." He said Wright asked him to drive for him. Later, he said, Wright made a stop and Cotton reported that he drove off with the car, police said. Wright, however, told police Cotton held his hand in his pocket as if he had the gun at the time his money and car were taken.

Police reported that Cotton was sighted by cruising officers at 8:55 p.m. yesterday passing a car on Fourth street at Hampton at a high rate of speed. The officers said they gave chase and that near Granite City street Cotton pulled off the road and stopped in response to the red light and siren, but as the police car approached, Cotton sped away.

Police chased Cotton at speeds exceeding 80 miles per hour until Cotton reached Brooklyn where he was unable to negotiate a turn at Sixth and Adams street. The car ran up on the sidewalk, police said. Officers said they fired six warning shots during the chase. Cotton told officers that the boy who was with him had no part in the theft of the auto and that he had the boy's car belonged to his girl friend.

### Venice Wheel Tax Tags On Sale for '69 Year

Wheel tax tags went on sale at the city of Venice today and police officials urged motorists to buy the stickers immediately to avoid possibility of arrest in enforcement drives that will be held later.

Police officials said it is customary to allow motorists about 30 days to buy their wheel tags before enforcement drives are conducted, but persons who fail to have stickers after that period are subject to arrest. In past years, delinquent motorists have been assessed a fine in addition to being required to buy the tax tag. Venice wheel tax stickers cost \$3 for all vehicles. They may be purchased at the city clerk's office in the city hall.

### Auto Stops, Struck

While stopped for a traffic signal at 23rd street and Madison avenue, an auto driven by C. E. Coughlin, St. Louis, was struck from behind by another driven by Ruth Jones, Glen Carbon, at 12:40 p.m. Wednesday.

### Auto Windows Broken

### Sheriff's Deputies Probe Rape Report

Sheriff's deputies were investigating today charges that a 16-year-old Granite City girl was criminally assaulted early this morning by a Granite City youth while they were riding in an automobile in the county.

The girl was examined at St. Elizabeth Hospital at 2:10 a.m. and told deputies that she and two girl companions, all juveniles, met three boys at a local bowling alley and accepted an invitation to go riding.

Chief Sheriff's Investigator Demos Nicholas said no charges had been filed against any of the boys pending further investigation. The other two girls were not attacked, Nicholas said. He said his office is awaiting a report on a pathological test and will ask the girl to take a polygraph test before a decision is made as to whether charges will be filed.

### Armed Robber Takes \$13

An armed robber fled with a wallet containing \$13 and papers after threatening to shoot his victim on the parking lot of the Penta-Mary tavern, 2609 Lincoln avenue, at 11:15 p.m. Tuesday.

Francis J. Przygodna, 1820 August street, told police that he had just left the tavern through the rear door and entered his auto when a man approached the side of the car and pointed a small caliber dark steel revolver at him.

The robber announced, "This is a holdup. Get out of the car and give me your wallet." Przygodna replied, "You're kidding," and the robber threatened to shoot him. The victim then got out of the car and handed over the wallet. The man fled toward East 24th street through shrubbery.

He was described as being 20 or 22 years of age, 5 feet, 10 inches tall and weighing 165 to 175 pounds. He was wearing a dark blue jacket and lighter trousers.

### Shower Honors Bride-to-be

Miss Mary Ellen Yankoff, a bride-to-be, was honored at a pre-wedding party and shower this week in the Officers Club of the Army Depot. This was one of several similar events.

The LaGranada Room where the party took place was attractively appointed for the occasion and the buffet table was decorated with a blue nylon and tulle umbrella accented with orange blossoms set in a base of blue and white flowers. Hostesses were Mrs. Edward Wallgren, Farmington, Mo., and Mrs. Daisy Painter, Granite City, aunts of the bride.

Miss Yankoff, a daughter of Mr. and Mrs. Pete Yankoff of Desloge, Mo., will be married June 15 to H. Sajon Joyner of Arlington, Texas.

Those attending were Misses Helen Kuentler, Cecelia Markuly, Sylvia Evangeloff, Stephanie Stoyanoff, Helen Zougias, Kathy Kalchert, and Georgia Mircheff, and Mesdames Pete Yankoff, Gregory Zougias, Joe Evans, Louis Wagner, Thomas Lewis, Thomas Lewis Jr., Earl Fabik, Pete Spiroff, Ronald Pennell, Robert Nelson, Alex Markuly, William Turpenoff, Vasil Targoff, Ruth Geroff, Carl Spiroff, William Lovachoff, Philip Tsigalaroff, George Popovsky, Andrew Orsey, John Belcoff, Louis Shisko and the honoree.

MR. AND MRS. GERALD CICIO. Their wedding took place at Sacred Heart Catholic Church. The bride is the former Lola Meyer.

### Golden Wedding Spring Flower Show to be Fete Planned Held at Park Center May 18

Mr. and Mrs. John Kovach sr., 2501 Madison avenue, have reached the 50th anniversary of their marriage and are planning a family observance of the event when their daughter, Mrs. Walter (Margaret) Lochman of Woodland Hills, Calif., arrives in the city for a visit.

The couple was married May 1, 1919, in Brownsville, Pa., and moved to Granite City in 1929. Mr. Kovach was employed by the Granite City Steel Co., until retiring in 1961.

Beside the daughter in California, they have three sons, Alex Kovach, John Jr. and William Kovach, all residents of Granite City, and 12 grandchildren.

### Jack Farrow to Give Speech at McKendree

Jack Farrow of Granite City is scheduled to speak on May 19, at McKendree College, Lebanon, in connection with a series of speech presentations by students as a requirement for those who are majoring or minoring in speech.

T. Dean Thomlison, speech instructor, said the platform programs consist of public speaking, oral interpretation and original oratory presented before an audience and a faculty committee.

## Governor Moves on Airport Plan—Lets Study Contract

Gov. Richard B. Ogilvie approved at Springfield yesterday a contract for study of a major airport site in the Madison-St. Clair-Monroe county area as the first step in a state program to build a second major metropolitan airport on the Illinois side of the river.

Acting on recommendations of John E. Robson, special counsel for transportation, the governor awarded the contract to R. Dixon Speas Associates of Manhasset, N.Y.

The contract provides a maximum fee of \$50,000 which will be paid out of a \$50,000 fund appropriated by the legislature in 1967. Robson said the consulting firm has an international reputation in the aviation field.

At the same time the governor announced that he has been in touch with St. Louis Mayor A. J. Cavanaugh, St. Louis County Supervisor Lawrence K. Roos and Missouri Gov. Warren E. Hearnes concerning the project.

**Assured of Cooperation**

He said he told the Missouri officials that Illinois will make fully available to them the work resulting from the study. He said the officials assured him of their cooperation. Robson said the consulting firm will study possible Illinois sites and alternate sites in Missouri.

Factors to be considered, he said, must include airspace, origin and destination patterns, land use of adjoining areas, ease of access and land cost.

In other action at Springfield, a tax reform package calling for abolishment of the personal property tax and a one-cent cut in the sales and use taxes was introduced in the General Assembly by Senate Majority Leader W. Russell Arrington (R-Evanston).

The bill recommends the state adopt a 4% flat rate income tax on individuals and corporations in line with a proposal backed by Gov. Ogilvie, but the two proposed tax cuts run counter to the governor's program.

**Shewed No Surprise**

Arrington said he discussed his program with the governor before introducing it and that Ogilvie "registered no surprise — and no support." The bill would reduce the sales and use taxes effective Jan. 1, 1970, but would leave elimination of the personal property tax up to the results of a constitutional amendment referendum held during the November 1970 elections.

A bill that would reduce state welfare payments by possibly \$200 millions was introduced in the Illinois House earlier this week by House Speaker Ralph T. Smith (R-Alton).

The proposal would cut welfare spending by 20% and would result in paring Gov. Ogilvie's budget request for public aid to less than \$500 million.

## MORE ABOUT Council

recent years to adhere to the state requirements for the treasurer to perform certain record-keeping duties to provide a system of checks and balances.

**Two Sets of Books**

"In the past, the treasurer's report was prepared by the comptroller and the treasurer had no records. Now there are two sets of books and the council gets two financial reports.

"Right now I feel it's a big mistake to combine the two offices, and I question if the council can require the clerk to perform the duties of comptroller. With the work the city clerk now has, it would be impossible to do both jobs. He'd have to hire someone to handle the accounting, and then there'd be no economy."

In reply, Bartosik said the present officials are capable men and can do the needed job, while in the past there was too much work for the clerk and treasurer, so the office of comptroller was created.

"There are four women in the comptroller office and they can do the work without supervising by a comptroller," Bartosik added.

**Duties Lessened**

Entering the discussion, Nonn said the comptroller job today does not carry the authority it did under "Doober." "Now it's handling bids, bills and the payroll. It's not the job it used to be. As for the budget, the city attorney can prepare it. Mrs. Gladys Heely (assistant comptroller) can handle the payroll.

"Do you want to save money or not? We have a big, expensive problem in the Nameoki area, and we're going to have to find a way to pay bills. When the people get their new tax bills, they'll be looking down on our collars, and we'll be trying to find ways to save money."

Whitmer argued that he did

lion. Rep. Smith said the bill was only his first step in efforts to reduce Ogilvie's \$4.4 billion budget. He indicated he soon would propose substantial cuts in both education and higher education.

Smith said his bill would cut spending to about \$2 per person from the present figure of \$47.

**Provides Tax Relief**

"We know of no reason why Illinois should pay higher aid payments than other states," Smith said. "This legislation will put us in line with our neighbors and give taxpayers badly needed relief."

Meanwhile, amidst criticism of higher tax programs and state spending, the state's personnel director, J. C. Vandenberg, announced plans to give 4,400 state employees a hefty pay raise that will cost an estimated \$50 millions per year.

Vandenberg said he will initiate a plan which would raise salaries of employees in code departments under the governor by an average of 12% on July 1. The plan follows the governor's April 1 budget message in which he recommended wage hikes to make the state "more competitive in the market for highly qualified employees."

The new schedule would raise the minimum pay of a code department employee, who now gets about \$520 per month, by about \$60 monthly. Under present wage schedules, Vandenberg said, "it is virtually impossible for us to recruit graduates from our own state educational institutions."

**Report Insurance Study**

Rep. Smith also released this week the report of the Joint Insurance Study committee which recommended that an interim commission with a professional staff be formed to study insurance problems further. Smith noted that "insurance in Illinois is a huge industry dealing with billions of dollars. It was obvious that a thorough investigation was beyond the resources of our small study group."

He said the commission would require an appropriation of at least \$50,000. Legislation that would prohibit public officials, acting as land trusts, from entering into contracts for the sale or lease of land to the state or local unit was introduced in the House by Rep. Smith and Rep. James Phillip (R-7th district).

The bill tends to make an existing state statute more specific. Smith said, noting that it always has been illegal for a public official to enter into a contract for state land. The new legislation makes sure that a public official represented in a land trust cannot indirectly buy or lease land.

"Simply, this bill requires that all land trusts be identified in terms of person."

He explained that he felt there was too much of a discrepancy between the vote for the candidates and the vote on the blue ballot to reduce the size of the council from two aldermen per ward to one and also one spoiled blue ballot.

Robertson replied that many voters were not interested in the blue ballot and did not vote so the ballots were declared as spoiled by the election judges. This was confirmed by Clerk Pendleton who said that was the information he had received from the judges.

A little reflection will bring to light the things that have kept you down in the dumps.

## Jr. High Band Pupils to Compete in Mattoon Saturday

Music students representing three junior high schools in Granite City and the Madison junior high school will compete in the 1969 Illinois State Solo and Ensemble Contest, to take place in Mattoon.

All the youthful musicians previously have earned first or superior ratings in district competition, held earlier this spring.

The largest local contingent will travel to Mattoon from Prather junior high school, with 38 students participating in 31 events, including 22 solo and nine ensemble numbers.

Miss Elsie Mayhew, Prather instrumental music director, will supervise the group, with Mrs. Marge Ellsworth and Mrs. Pat Ferguson serving as accompanists.

Central junior high school pupils, under the direction of Mrs. Mary Ann Davis, music supervisor, will be accompanied at the piano by Miss Pat Dineff and Mrs. Ellsworth.

From Central JHS, 17 students will compete for state honors, including 15 soloists and two ensembles.

Twelve Madison junior high soloists will take part in the state music contest and one ensemble—a woodwind quintet. The students will be led by William F. Ledbetter, Madison band director, with Miss Beth Ann Ledbetter serving as accompanist.

Miss Vivian Raffaele, instrumental music director at Grigsby junior high school, will escort 17 solo performers and members of six ensembles to the contest Saturday.

Accompanists for Grigsby students are Miss Almendra Lahr, a senior at Southern Illinois University—Southwestern campus, and Pat Testor and Debra Phelps, junior high pupils.

Prather Jr. High solists are: Flute—Kathy Stajduhar, Debbie Jung, Lorna McElroy, Lorraine Jones and Cynthia Davis; oboe—Robin Smith; clarinet—Jeri Ennis, Wanda Frost, Barbara Stull, Lynn A. Pickrell, Karen Guthrie and Michael Meyers.

Bass clarinet—Tom Jones; alto saxophone—James Staveland and Debbie Hadley; tenor saxophone—Dane Carney; cornet—Mike Bolling and Bobby Gann; French horn—Donna Haldeeman; trombone—Gary Ellis and Marc Scheffel; and bass—Roy Hunter.

Ensembles from Prather JHS, include: Brass sextet A—Mike Bolling, Teddy Domitrovich, Pam Cooper, Gary Ellis, Penny Gozia and Roy Hunter; brass quintet B—Scott Harrison, Russell Miller, Marc Scheffel, Penny Gozia and Ricky Justice; brass quartet C—Bobby Gann, Larry Soechting, Mark Pottilo and Terry Meyers.

Saxophone trio A—James Staveland, Debbie Hadley and Dane Carney; mixed clarinet quartet A—Jeri Ennis, Paula Mathis, JoAnne Metz and Lynn A. Pickrell; clarinet quartet B—Wanda Frost, Barbara Stull, Paula Mathis and Pat Gould; clarinet quartet C—Karen A. Guthrie, Michael Meyers, Mary Ellen Zerlan and Pat Gould; flute quartet A—Kathy Stajduhar, Debbie Jung, Lorna McElroy and Teresa Lewis; and flute quartet C—Lorie Melichar, Lorraine Jones, Cynthia Davis and Barbara Black.

Central Students Soloists from Central junior high school are:

Flute—Sharon O'Bear and Pat Gerlach; clarinet—Paula White, Karen Lee, Marjean Ellsworth, Rebecca Graham and Linda Sartin; oboe—Diane Emring; baritone—David Van Meire; and cornet—Jeff Kindle, Kevin Menke and Jeff Caban; and drums—Jim Chippa, Terry Jones and Philip Mull.

Central ensembles consist of: Flutes—Pat Gerlach, Sharon O'Bear and Kathy Stuart; and cornet trio—Jeff Kindle, Terry Wylie and Kevin Menke.

Madison Contestants Madison junior high soloists are:

**Visits Campus Here**

**Sen. Percy Calls for  
Withdrawal in Vietnam**

Illinois Sen. Charles Percy told students at Southern Illinois University - Southwestern campus this week that U. S. troops withdrawal from Vietnam should begin before the end of this year.

In a Tuesday afternoon visit to the campus he suggested that "we'll never get out of there unless we start to get out." While he expressed hopes that some good would come from the Paris peace talks he feels that the U. S. should begin letting the Vietnam government fight the war.

Percy feels that it would be appropriate to allow the Vietnam military to recommence which areas they feel they could take over for the G. I.'s.

The stop-and-chat at SIU-SW is one of nine visits on college campuses planned by Percy in a five-day tour of the state.

He said SIU-SW was picked because the students here have used reason rather than emotion to talk with administrators. The same type of dialogue was the reason for his visit.

More than 500 persons, mainly students, were in the University Center ballroom to hear the younger Illinois senator.

In the first 15 minutes of the 85-minute program he called on students to avoid riots and violence as a means to get attention.

He told the group that he was not a great friend of the Vietnam war, or of the anti-ballistic missile proposals.

He called for the students to become committed to working within the system to improve humanity. He said people should not expect Washington to solve problems.

"Answers will have to come from the bottom up," the Senator stated.

Answering questions concerning the black community Percy called for Negro ownership of homes and government technical assistance to the community for black capitalism.

Percy cited statistics to make his point for black business. He said one out of every 40 white Americans owns some type of business, while for the Negro community it is one out of every 1000 who owns a business.

**Summer Enrollment  
Now Open at SIU**

No apparent increase in summer quarter admissions has been noted at Southern Illinois University's Carbondale campus despite the fact that it will be a "Last Chance" opportunity for many lower ranking students until next year.

Students in the bottom half of their high school classes can register for the summer term at SIU and can continue in the fall if they come through with a "C" average.

Failing that, they will have to wait again until next summer to seek admission to SIU. Students in this fall only upper half graduates will be eligible for admission during the fall, winter and spring quarters.

Admissions Director Jerre Pfaff said about 1000 new student admissions have been processed so far, roughly the same count as at this time last year.

New entering students can pre-register on Monday through June 2.

Pre-registration for new and continuing students will be suspended from then until June 17, when a final central registration will be conducted. Day classes begin the next day and from then until June 23, late-registering students will be assessed penalty fees. Summer registration for undergraduates closes completely on the 23rd, but a 4 a.m. student registration continues through June 27.

Enrollment on the Carbondale Campus was 10,492 last summer.

Summer commencement is scheduled for Aug. 30 at Carbondale.

**15 Policemen Complete  
Mental Health Course**

Fifteen area policemen receiving certificates Tuesday for completing a minimum of seven mental health seminar sessions on "Psychology of Mental Disorders," at Alton State Hospital, Dr. Abram Simon, superintendent announced. The 11 weekly sessions covered personality and mental disorders and discussed effective ways of dealing with disruptive behavior.

Among law enforcement officers presented certificates were Edwin G. Kneezovich and Donald Lee, Illinois state police; Madison county deputies, O. W. Reichert, John Oldani Jr., William L. Vinyard and Herbert Horton.

**County TB Association  
Annual Meeting May 12**

The 33rd annual membership dinner meeting of Madison County Tuberculosis Association will be held at 6:30 p.m. Monday, May 12, at the Stratford Hotel, Alton. Reservations may be made at the Association's office, 17 South Wood River avenue, Wood River.

Dr. John Lester Buford, of Mt. Vernon, a noted education consultant and lecturer, will be the featured speaker, according to William H. Dorsey, TB Association president. The annual election of directors and officers, distribution of reports and presentation of awards to volunteers will follow Dr. Buford's address.

**Voorhees to Sing  
On SIU-SW Program**

Seven students at SIU-SW campus will be featured at the University Chamber Orchestra's free concert on Wednesday. The program will begin at 8:15 p.m. in Meridian Hall of the University Center.

Raymond Voorhees, a baritone from Granite City will sing "Largo al factotum" from Rossini's Barber of Seville. Directed by John Kendall, professor of string development at SIU, the 50-piece orchestra comprises University students, faculty and other area musicians, and will present several arrangements.

## Young Students Need New Room Decor

When a youngster reaches a second or third grade level, it's time to get busy with a little redecorating. The room that was right for a nursery-schooler is likely to be much too babyish for a sophisticated Brownie or Cub Scout who can read and write, concentrate on homework or a hobby, and sometimes hang up clothes.

The new room should be a gay and inviting place where a child will be happy to have friends. It should also be easy to keep sparkling clean with suds and water, duster, and vacuum.

To begin a redecorating project, first clear out the old toys and furniture. Discard broken toys, pass outgrown ones on to a younger child. Get rid of baby-books, and let the bookshelves hold the beginnings of a real library.

Then give the whole room a scrub-down. Move the furniture out, if possible, and wash down walls, ceilings, floors and woodwork with a bucket of suds and water.

Chances are the room will need painting—small children have a discouraging way of crayoning on walls, and sometimes a fresh coat of paint is the only answer. Be sure to pick washable paint, such as the latex types which are water-soluble, quick drying and astonishingly easy to apply. They are available in both flat and enamel varieties.

Can you afford a new floor covering? Even dignified nine-year-olds still play on the floor.

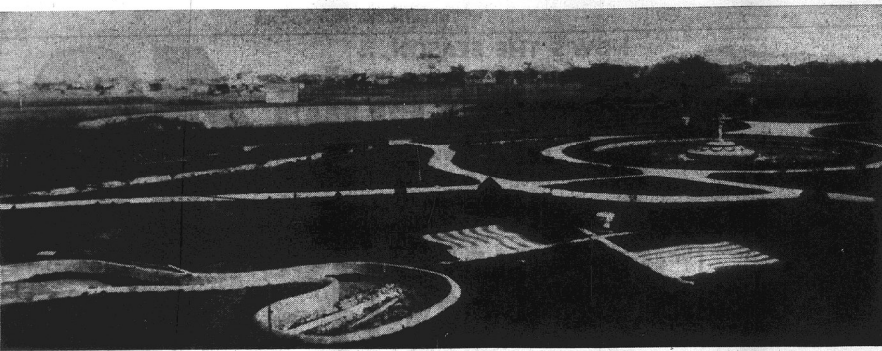

and children prefer soft carpeting to a hard-surface floor. The new indoor-outdoor carpeting is virtually child-proof, and easily cleaned with soap or detergent suds. If carpeting isn't within your budget, give the wood floor a good cleaning and polishing, then add a cheerful, whimsical, washable throw rug or two.

Consider shades for the windows instead of curtains. You can laminate your own, using a bright fabric, or you can trim a readymade shade with ball fringe, ironed-on cutouts, or Indian motifs. Shades can be cleaned with a suddy sponge, and stay crisp-looking longer than curtains. If you prefer curtains, look at the new printed vinyl materials. These can be stitched into gay cafe curtains, and are very easy to clean.

This is the time for a child to start feeling a pride of ownership in his or her room, and a sense of responsibility about keeping it neat and clean. Be sure there is ample storage space for books, toys, games and clothes—and be sure things are easy to reach. A pegboard will do wonders to relieve clutter; a collection of stuffed animals can decorate an entire wall if they are hung on pegboard.

If you are getting new furniture, try to have sleeping accommodations for an extra child—this is the age for spending-the-night. A bunk or trundle bed is best.

A child will also need a scaled-down desk with a comfortable chair, adequate lighting,

FORMAL GARDENS at Wilson Park in the construction stage during the early 1920's. This view is looking east with few houses in the 2700 and 2800 blocks of State street. Several homes in the 2800 block of Grand avenue are visible.

ing, and plenty of drawer space to get him started on homework habits. A boy should have a low bureau with a mirror, a girl can get started on beauty routines with a pretty dressing table. Hold off on fluffy ruffles for a few more years unless your little girl is exceptionally dainty. Give the dressing table a wipe-off vinyl skirt, and be sure the top is easily washed. Little girls will experiment with lipstick and powder. A well-lit mirror is a must, plus space for comb and brush, jewelry box, ribbons, and other fledgling beauty aids.

Let the child help with redecorating. The more a child has to do with the way his or her room looks, the better he or she will take it. When everything is finished, and the child moves into a sparkling-clean, brightly-decorated room, you can take advantage of the situation. Post a cleaning schedule, explaining that he can keep the room clean all by himself with just a little help. Let the schedule list daily chores, such as bed-making and clutter-clearing; Saturday morning chores such as dusting and vacuuming; and monthly chores such as wiping down woodwork and washable surfaces with suds and water.

Early instruction is wonderful groundwork for later-on. So give your youngster a room to be proud of, and teach him how to keep it sparkling. Problem of Aerosol Age Because hundreds of different products come in aerosol packages, it's especially important that you take care in storing them as well as in using them. Store aerosol packages near the area in which they will be used. Be sure to keep cleaning supplies separate from food products. And store all aerosol packages out of the reach of children.

When storing products away from direct heat, don't overlook such sources as pile lights, direct sunlight, irons in use and heating pipes. Since some products require shaking before use, read the label before you press the button. And by following the directions on the label, you can also avoid the possibility of an explosion. Labels contain warnings, do not store at high temperatures, do not use near fire or flame.

Before disposing of an aerosol container, depress the valve until there is no sign of propellant or product being released. Then put the container with other non-burnable trash. Remember, never put aerosols into an open fire.

How Meat Grading and Inspection Differ A nationwide survey shows that many homemakers do not know the difference between inspection and grading of meat. Inspection relates to wholesomeness while grading reflects quality. The inspection mark—a circle—tells you that the meat is clean and wholesome; the grademark—a shield—tells you the quality of the meat.

The Wholesale Meat Act of 1967 assures today's consumer that the meat she buys has been inspected by the Federal Government or an adequate state program.

Meat grading is a voluntary service provided by the USDA's Consumer and Marketing Service to meat packers and others who request it and pay a fee for the service. Although a large percentage of meat is graded, not all meat is graded as a service to the consumer. USDA grades are a reliable guide to meat quality—its tenderness, juiciness and flavor. The grades, applied by USDA graders, are based on nationally uniform Federal standards of quality.

When the carcass is graded, a purple shield-shaped grademark with the letters USDA and the grade name, such as Prime, Choice or Good, is applied with a roller-stamp. The grade shield is rolled on in a ribbon-like imprint along the length of the carcass and across both shoulders. When the carcass is divided into retail cuts, one or more of the grademarks will appear on most cuts.

Only meat that has passed a strict inspection for wholesomeness may be graded by Federal graders. In other words, meat that bears a grade shield has also been inspected.

## City Has Fund Balances as Year Nears End

Granite City ended the month of March with total fund balances of \$942,266 in all counts, \$172,751 of it in the non-transferable general fund. Comptroller Robert Stevens reported to the city council Monday night.

Other account balances included \$478,510 in the transferable general reserve fund, \$33,409 in the transferable general special fund, \$19,827 in the general unclaimed fund (non-transferable), and \$117,418 in motor fuel tax funds which also are non-transferable.

The report showed that disbursements during the first three months of the fiscal year 1968-69 totaled \$1,785,570 total expenses during the 11 months of the fiscal year.

Total income during the 11-month period amounted to \$1,854,682 which was made up of \$106,029 in balances at the beginning of the fiscal year May 1, 1968; \$1,298,021 in taxes and other regular receipts and \$550,569 in transfers from other funds.

The general reserve fund

balance of \$478,510 as of March 31 included \$62,550 in the fund commission account, \$173,329 in the working cash fund, \$79,113 in the parking meter fund and \$163,447 in the sales tax account. Stevens' report showed.

**\$361,209 Transferred**

The reserve fund had total income during the year amounting to \$1,111,207, from which \$71,487 was paid for operational expenditures and another \$80,229 was transferred to other accounts in the general fund.

Two deficits were shown in general fund accounts at the end of March, \$11,646 in the police account and \$1503 in the school crossing guard account.

**Bishop Webb to Speak Here at Dedication**

Bishop Lance Webb, the Episcopal leader of the Illinois Area of United Methodism is slated to appear as guest speaker and director in the formal dedication of the new Dewey Avenue United Methodist Church, 2136 Dewey avenue, Sunday at 2:30 p.m.

Following the morning worship hour there will be church-wide fellowship with a basket dinner in the church basement at 1 p.m.

The new sanctuary will be dedicated debt-free and \$2600 remains in the building fund treasury toward the cost of the new 20 room educational plant the pastor, Rev. John H. Amshury, has announced. The educational building is the next step in the program of the church.

**Collide in Madison**

Cars driven by Charles Mosby, 118 Jackson street, Madison, and Henry Rogers, East St. Louis, were damaged at 5 p.m. Monday in a collision at Seventh and State streets. Madison police said both cars were headed south on State when Mosby was passing the Rogers car when the mishap occurred.

## Puppet Theme for Cub Pack 8 Meeting

"Puppets" was the theme for the April pack meeting of Cub Pack Eight of the First United Presbyterian Church on Monday evening, conducted at the church.

The program was led by Cubmaster Bill Morgan and each puppet show was presented by individual den. Subject of the skits were "Hey Look Me Over" by Den Three, "The Other Day" by Den One, "Tossed Salad" by Den Four, and "Father's Work Bench," where the boys were in costume representing puppets prepared by Den Two. The Webelos group had a geological demonstration for which the scouts built a volcano.

George Feeney, assistant cubmaster, made the awards presentation from the stage decorated with a rustic arch and achievement ladder. Nine Bobcats received pins. They were Brian Pemble, Jeff Warren, Charles Anderson Greg Sullivan, Steven Dory, Jerry and Gerry Dilyard, Bobby Smith, and Jeff Gary.

Other awards included the Wolf badge to Mike Brown and Jimmy Morgan with a silver arrow. In a new program, the mothers, Mrs. Bonnie Bronnauer and Mrs. Ann Morgan, also received a pin identical to the boys' award.

Silver and gold arrow points were received by Claude Ohanesian, Larry Pinkston, Bob Curtis, Tommy Schlemmer and Bryan Warren, who was observing his ninth birthday and received his Bear Book as a gift. Don Courtney was the recipient of two recruiter stripes.

Webelos activity badges were given to Joe Bronnauer, David Painter and Larry Wyatt for geology and Mike Curtis for geology and citizenship.

Following the awards presentation, a ceremony for transferring a cub scout from his den to the Webelos was conducted for Joe Bronnauer.

The "cubby" award was given to Den three. Dave Warren, committee chairman, closed the evening program by reading a poem entitled, "Bless These Scouts."

## Services Conducted For Infant Twin Girls

## GC Council Votes—No Double Pay' for Poll Judges

Polling place judges who worked in the city-township election on April 1, handling ballots for both the city and township, will not receive double pay, Granite City council members decided Monday.

Last week, the council had approved payments for judges in the city election and also sitting as the town board of auditors approved payment for the township poll judges. In some instances, judges served both the city and township.

While the township already has paid judges for the township polling places, the city precinct judges have not yet been paid.

Mayor Partney asked the council for clarification Monday night, since at the April 21 meeting, a motion was approved for the city and township to share the election costs—including payment of the judges, meals and rental of polling places.

Several aldermen pointed out the city precinct judges were a "bit perturbed" and "disgruntled" over not being paid, and

Daves pointed out that in some polling places where there was not room for two sets of judges those on duty threatened not to work if they did not get paid for handling both sets of ballots.

City Atty. Scroggins was called upon for a legal opinion on double pay. He replied the law would require interpretation and he could give a legal opinion next week.

However, a motion was made to pay the city judges, and then an amendment was made to confer with township officials and pay only those who did not receive checks from the township.

Council members approved a \$24,295 bill list and employees sick leave amounting to \$889, as well as resolutions to transfer funds from reserve accounts to the election account, and to sewer maintenance.

Major items on the bill list were payments of \$208,132 to S. M. Wilson & Co. for storm sewer construction; \$12,551 to Research Planning & Design Associates for engineering fees

on motor fuel tax projects and sewer breaks, and \$16,160 to Milam Corp. East for refuse removal during April.

A separate bill was submitted for \$108 to provide Good Friday holiday pay for school crossing guards.

The fund transfer resolution amounted to \$9650 for the election account, with \$2700 transferred from the excess tax commission account and \$3900 from the contingent account. Also, \$5000 was transferred from tax commissions to sewer maintenance.

Another resolution adopted by the council Monday night is to be forwarded to Gov. Ogilvie, protesting the governor's proposal for a 4% income tax and a 2 1/2-cent hike in the state gasoline tax. Copies of the resolution are to be sent to state representatives, advising them of the council's action.

Bids will be sought to provide a bond for City Treasurer E. R. Rich as township tax collector. The bids are to be ready by next week's council session, as tax books are soon to be ready at the county courthouse for preparation of local tax bills.

## Area Mothers Leave Friday for U of I

Among the area mothers leaving tomorrow for Campaign to participate in Campus Mother's Day Weekend at the University of Illinois are Mrs. Anna Rickert, Mrs. Jo Hulse, Mrs. Theresa Sanders, Mrs. Lucille Sackett, Mrs. Mary Jessee, Mrs. Kathleen Tadlock and Mrs. Lucille Caban, Madison county chairman of the University of Illinois Mothers Association.

Theme for the weekend is "Mum's the Word."

"On Friday evening there will be a variety of entertainment to please all mothers," according to Mrs. Caban.

Eugene Ormandy will conduct the Philadelphia Philharmonic Orchestra in the Great Hall of the Krannert Center for the Performing Arts, the University Theater will present "Oh Dad, Poor Dad, Mama's Hung You in the Closet and I'm So Sad," and the Women's Glee Club will present a concert in the Auditorium.

Saturday morning, a Continental breakfast will be sponsored by the association, with Dr. and Mrs. David Henry, U. of I. president, and other administrators and faculty members as guests.

The University of Illinois Jazz Band will perform afternoon and evening concerts in the Great Hall, and the student musical, "Happy Time," will have three performances during the weekend. In recognition of their dedication to and love of the arts, to education and to the welfare of the fellowman, the Illinois Mothers Association will present

## Cities' Battle for Campus Highlighted SIU Startup

By Pete Brown

The legislative act of 1969 that created Southern Illinois University at Carbondale touched off a war that raged throughout "Egypt" for more than six months.

No shots were fired, as far as is known, and no lives were lost. It was a battle of editorial billingsgate, waged unrelentingly by newspapers throughout the region representing towns who wanted the new school for their own.

A dozen communities contended for SIU after then Gov. John M. Palmer appointed a board of commissioners to select a site for it. The stipulation was that the new school had to be south or north in six miles north of the Alton and Terre Haute Railroad.

Towns were invited to bid and the list was boiled down to these: Anna, Carlyle, Carbondale, Centralia, DuQuoin, Irvington, Jonesboro, Olney, Pana, South Pass (Cobden), Tamaroa and Vandalia.

Grid of Crossfire Immediately, editorial artillery opened up over the place, the heaviest shelling concentrated in a grid of crossfire between Carbondale, DuQuoin and Centralia.

The Carbondale "New Era" pointed proudly to the fact that it had never had a "drinking saloon, doggery or billiard room," and that of all the others, it had the cheapest fuel, land, money, will, and an existing successful school (Southern Illinois College).

The grounds of SIC, boasted the "New Era," would purchase the cities of DuQuoin and Centralia.

Back roared a salvo from the "DuQuoin Times," "Carbondale, the boasting, pious, puritanical Carbondale, temperate city as it is, actually sells and drinks nearly 10¢ more intoxicating liquor than DuQuoin. Its churches — only four in number — have a membership far less."

Bid Package Offer Carbondale had offered a bid package including \$150,000 backed by city and county bonds and \$75,000 worth of land. Others put up similar land and bonds enticements, most of which probably was swamped with the few sickly sugar trees is valued at \$100,000 or \$200,000 per acre!"

The "Centralia Sentinel" Papers in Alton, Benton,

made much of its national park, to which DuQuoin rebutted with its two private banks. DuQuoin offered a city park it valued at \$100,000, then added \$150,000 in bonds.

"In Centralia," thundered the "New Era," "there is a larger beer garden in which carousing, drinking, dancing and music are a specialty every Sabbath day." The paper also charged that Centralia's 1000 railroad men were a "dangerous class" to be near a school. Then it dropped another load on its nearer competitor: "DuQuoin's drug shops and population are nearly as objectionable as Centralia's."

"Men in the employ of the railroad," Centralia fired back, "would give the Carbondale editor a lesson in good breeding." The "New Era" charged that Centralia entertained the site-selection board in a larger beer garden, "Centralia's chief industry," and for good measure added that DuQuoin had produced a having "bought" one of the commissioners.

Pure Water, Atmosphere About that time the "Carbondale Bulletin" jumped in for Jonesboro, citing its "pure water, balmy atmosphere, picturesque hills and fertile valleys."

Carbondale responded to that by saying it had all those good things plus a railroad and a town free from the pernicious effects of liquor.

(As a later researcher noted, however, Carbondale in 1869 was merely a stop on the Chicago-Cairo IC line, one track, and its water supply was insufficient for the town. A 26-foot deep well was subsequently dug for the school, but it wasn't able to supply workmen's needs in dry seasons.)

The "New Era" pressed on: "Let Centralia boast of her \$50,000 bid and let DuQuoin make a fool of herself by talking of a \$8000 donation. Commissioners cannot be gulled into the belief that swampland is greenbacks or that the DuQuoin 'Park' (1) is worth a fraction over \$1 per square foot."

City Park Ridiculed The paper ridiculed DuQuoin's park bid as only five acres in side a fence, then added, curiously: "This paltry parcel of swampland with the few sickly sugar trees is valued at \$100,000 or \$200,000 per acre!"

## City Seeking Storm Easements At Kirkpatrick

Installation of storm sewers in the Kirkpatrick Homes area is being delayed through lack of easements, it was brought out during Monday night's council session by Mayor Parity.

Alderman Bartosiek, chairman of the council's special sewer committee, outlined the problem, and council members authorized a meeting of city officials with the housing board to iron out differences.

The alderman said the housing board has refused to grant easements in yards along roadways within the project and would the lines to be placed under the streets.

\$15,000 Added Cost "This would cost an additional \$100,000 to \$200,000 and would create another problem in that exact locations of high pressure gas lines are not known. It would be easier for the contractor to locate the lines in the soil rather than under the roadway," Bartosiek added.

The matter had been referred to the federal Housing & Urban Development agency in Chicago, but the city has been advised to work out the problem locally. Project Engineer Mervin Grant pointed out that HUD wants storm water and sanitary sewers separated in the areas designed under the bond issue and the grant of federal funds, but that the housing board does not want to give easements in grassy areas. He said there are 45 storm water inlets within the housing project now connected with a combined sewer system of the city.

Alderman Whitmer commented that he saw no reason to go to \$15,000 to \$20,000 added expense to preserve lawns when other property owners, who plant trees between sidewalks and curbs have lost their trees and lawns as the project has progressed. He estimated 300 to 400 trees have been removed for the storm sewer construction.

Bartosiek stressed the need to work for money-saving features in the storm project. "If we can get by with surplus funds as indicated, we can expand the work to include Warren avenue where there are drainage problems."

Alderman Dallas noted there are five appointees on the housing board "and they're trying to tell us what to do. Other people are going along with the idea, but this project, and I don't see why they can't."

Arrangements for a meeting of city and housing board officials are to be made within a week.

## Speeding Charge Filed

Lanny T. Smoot, 2415 Center street, was ticketed on a speeding charge at 12:10 a.m. Tuesday at 20th and Benton streets.

Metropolis and Golconda joined the fray, siding with DuQuoin. The "Greenville Advocate" campaigned for Centralia.

Carbondale also boasted that its own General John A. Logan, Civil War hero and Congressman-at-large, wanted SIU in his home town, and had offered lands and money. It was a bombshell. The "Sentinel" admonished Carbondale that Gen. Logan's fame and influence belonged to the state and nation, and "Centralia could claim their use as much as Carbondale."

On and on the battle raged, till the "New Era," loudest battery of all, complained that its "cup of abuse is full to the brim." Then the commissioners voted: on the first ballot, it was Carbondale 2; Tamaroa, 2; Olney, 1. Carbondale won it on a second ballot, when one of the commissioners switched from Tamaroa. "Burrah for Carbondale!" shouted the "Marion Friend," and the "New Era" proclaimed the decision with undiluted relish. But while the fracas was limited to type and newspaper, it left scars. Rivalries between many of the contending towns are still traced to the "location controversy" of 1869.

## Lutheran Layman's League Convention Here Sunday

Rev. A. O. Gebauer, former pastor of Concordia Lutheran Church, will be the banquet speaker at the 58th annual convention of Southern Illinois Lutheran Laymen's League to be held on Sunday May 4 at Concordia Lutheran Church, 2301 Grand avenue.

He served the local church as pastor from 1942 to 1954, leaving here to go to the Bethlehem Church in Chicago, where he is still serving the congregation.

Rev. Gebauer began his religious training at Concordia Church, Milwaukee, in 1926, and arrived at the St. Louis Seminary in 1932. Here he received his Bachelor of Divinity Degree and earned the Lutheran Laymen's League award as one of the top five graduates of the year 1936. He also was acting librarian of the St. Louis Seminary library during the time he attended school there.

The visiting speaker vicaried at Trinity Church, Toledo, O., and accepted a call to serve at St. Paul Lutheran Church, Christchurch, New Zealand, and remained there until he was recalled to the United States during world war II because of war conditions.

Rev. Gebauer married the former Gertrude L. Forster in 1937 in Holy Cross, St. Louis and they are the parents of five children.

He has served on numerous special District and Synodical committees and has been the presiding officer of several pastoral conferences. At the present time he is chairman of the Southern Regional Pastoral Conference of the Northern Illinois District and Counselor of Circuit 23. He was instrumental in the organization of the Association of Lutheran Church Office Secretaries; at present he

is serving as the adviser of the association.

His topic for the talk at 6 p.m. dinner will be "Is Pulpit and Altar Fellowship Between the ALC and the LCMS at This Time Pleasing to God?"

Another speaker at the convention will be Robert W. Hirsch, a Tripp and Yankton, South Dakota, attorney and member of the South Dakota State Senate since 1967. He is the immediate past president of the Lutheran Laymen's League having served in this capacity from July 1964 to July 1968.

Well known for his work in church and civic organizations he has served as a member of the LLL's Board of Governors, vice-chairman, on the membership services committee and its policy study committee. He has served his congregation as chairman, Sunday school superintendent, Bible class instructor, stewardship board member and member of the Board of Education.

A Navy officer in world war II and later a member of the South Dakota National Guard he is a past post commander and district commander of the American Legion. An Eagle himself, he was for 15 years scoutmaster for Tripp Troop 128.

Richard Schneider of Granite City, general chairman of the convention committee, announced registration for the day will begin at 1 p.m. with an opening sermon at 2 p.m. The business meeting will start at 2:30 at which time an election of officers and discussion of resolutions concerning the Lutheran Laymen's League, will be held.

## Boaters Urged to Stay Away From Flood Areas

Boaters and sightseers have been urged not to venture into flood areas along the Mississippi River by Coast Guard personnel and Illinois Conservation officials who point out that federal regulations are very specific regarding damage caused by the wake of a boat.

A boat operator in violation of these regulations may be fined up to \$2000 and sentenced to a year in jail.

## Parked Car Damaged

A parked car owned by Oscar L. Hampton, 1201 Douglas street, Venice, was damaged in the right front and grill Monday when it was struck by a car driven by Arthur Matthews, 307 Weaver street, Venice. Police said Matthews told them he struck the other car while trying to park in the 1200 block of Douglas street. Matthews' car was undamaged.

## Services Held Wednesday For Drowning Victim

Funeral services were conducted at 10 a.m. Wednesday at the Church of God Church at Vine and Orville streets, for David Schuman, 22-month-old son of Mr. and Mrs. Robert Schuman, who drowned at about 10:40 a.m. Monday in the basement sump at his home.

The Schuman family resides at 140 Central avenue, Mitchell.

Other survivors include a brother, Robert Mark Schuman, and grandparents, Mr. and Mrs. Charles Clark, Thomas P. Schuman and Mrs. Hazel Johnson.

## Treated for Knife Wound

Nathaniel Dillard, 23, of 908 Franklin street, Madison, was taken to St. Elizabeth Hospital at 10:10 p.m. Monday by Venice police for treatment of a stab wound to the left arm. Police said Dillard was cut in an argument with a woman at a Venice tavern. Dillard refused to sign a complaint, officers reported.

## Roca Sponsoring Masquers Stage Show on Saturday

The Roca Young Men's Club is sponsoring the Masquers production of "A Funny Thing Happened on the Way to the Forum" at 8:15 p.m. Saturday in the Granite City high school auditorium.

Previously presented at Webster junior high school in Collinsville, the presentation will have its debut in Granite City due to popular demand.

Featured in the cast are advisor Earl Parsons and members Harry Diak and Mark Rigby. The director is Mrs. Millie Hoelscher. Tickets are \$2 for students and \$2.50 for adults.

Roca members and their date will hold a hayride at Chester Buchta's farm on Carpenter road near Collinsville on May 10 instead of May 4 as previously announced.

Guitarists Tim Moore, Dave Brewer and Ken Townsend will lead in following after the hayride. Soft drinks will be provided by the club, but members should bring box lunches.

Members will attend Concordia Lutheran church, of which sweetheart, Diane Harper is a member, the Sunday after the hayride. A breakfast and meeting will follow the services, according to Brad Cross, church chairman.

Members are conducting a drive for old clothing or supplies to benefit displaced Vietnamese lepers near DaNang, and items may be taken to the home of Mike Wilson, 232 Clark avenue, chairman of the charity project.

The leprosy victims are building a new leprosarium after being driven from their original settlement by the Vietnam earlier this year.

Members received the new Roca sweatshirts on Sunday and a Roca sweatshirt day was held Monday as members wore them to school.

Mike Loftus, first director, announced that names of nominees for membership are being accepted. It was suggested by Frank Mehlert that a get-together be held with possible new pledges at an old fish market near his home on Rural Route One.

Committees are being formed for the fifth annual Roca show to be held this summer.

## Beggars Opera to Play For Teen Town Dance

"The Beggars Opera," a popular Southern Illinois combo, will make its first appearance at the YMCA Teen Town at its dance from 8:30 to 11:30 p.m. Saturday.

The group has played frequently at the Southern Illinois University campus at Carbondale and surrounding towns. Regular admission will be charged.

"The Guild" is booked for the May 16 dance, according to Charles Hasse, "Y" youth director. Advance tickets for the dance will be available at the "Y" for \$1.50 through May 15. Admission at the door will be \$2.

## Two Girl Scout Camps To Be Used in Summer

An experience in outdoor living for about 12 days under trained adult supervision, with opportunities to make new friends, share ideas and plan activities, await girls this summer who will have completed the third through eleventh grade. This is established camping offered by the River Bluffs Girl Scout Council at two camps.

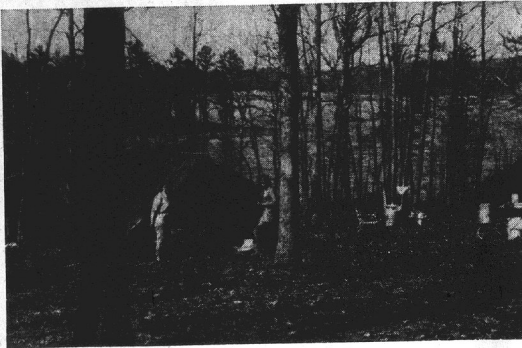

Girls and parents are encouraged to register now, using the registration form in the camp folder distributed to all Girl Scouts through their troop leader. This should be completed and returned to the Established Camp Registrar at the council office with the required deposit. All checks are to be made payable to the River Bluffs Girl Scout Council.

Scouts from other councils and non-scout campers also are invited to register and may procure a registration form from the Registrar at River Bluffs Girl Scout Council, 105 North Main street, Edwardsville, Ill. 62025.

Camp Outaqua, situated in Pere Marquette State Park, north of Grafton, offers cabin-living, some meals served in the central dining lodge, and aquatic activities. This site is open to girls who will, in the fall, enter the fourth through seventh grade.

First session at Camp Outaqua starts Sunday, June 22, and ends Friday, July 4; second session runs from Sunday, July 6, through Friday, July 18.

Girls entering the seventh through the twelfth grades next fall may enjoy established camping at the council-owned campsite near Farmington, Mo., which includes nearly 1000 acres of wooded hills. This site provides tent-living, opportunities to prepare, cook and eat all

First session at Camp Farmington starts Thursday, July 24, and ends on Sunday, Aug. 3. Second session is from Sunday, Aug. 3, through Wednesday, Aug. 12.

Activities at both campsites are planned by each group of campers and a staff of skilled counselors according to girls' interests, needs, abilities and experience. These activities may include singing, hiking, sleeping out, swimming, flag ceremonies, service and con-

### To Play in Concert

Michael Kawula, 1512 Clark avenue, is a member of the brass and percussion ensemble at Southern Illinois University, Carbondale, which will present its final concert of the season at 3 p.m. Sunday in the ballroom at the University Center.

He plays the tuba. Three Madison students and two additional Granite City students not named previously were recognized for scholastic excellence at the University of Illinois' 45th annual Honors Day convocation Wednesday in the Assembly hall.

Dr. Elvis J. Stahr, president of the National Audubon Society, delivered the Honors Day address. U. of I. Chancellor J. W. Peltason presided. The program included David D. Henry, university president, and Earl M. Hughes of Woodstock, president of the board of trustees.

The Madison students are Leslie Lynn Hulsey, 1815 Third street; Janice Piechocinski, 709 Washington avenue; and Patricia M. Skubish, 1018 Grand avenue. The Granite City students are Alphonsa J. Pratis, 2114 Washington avenue, and Warren F. Bringer, 2016 Jerden avenue.

### Five Students Added To U. I. Honors List

Graduates of the novel Experiment in Higher Education program at the East St. Louis Center of Southern Illinois University-Southwestern have demonstrated the impact of the program by doubling their standardized test scores over a two-year period. The test scores are an indication of academic achievement.

Seventy-seven students who were supposedly "high risk, under-achievers," responded to the new educational concept by rallying from a sub-par 10th percentile ranking in 1966 to slightly above the national average of 20 by December, 1968.

These results were substantiated through three sets of A.C.T. tests administered before, midway through, and after two years of intensive academic work at the center, according to Mrs. Linda Ellsworth, director of research.

## Coffee House Circuit Comes to Campus Here

The Cougar Coffee House at Southern Illinois University-Southwestern campus has transplanted a piece of Hollywood to the campus.

Aspiring young entertainers booked at the famous Bitter End in New York spend weeks at SIU-SW trying to etch their acts on the minds of the audience and student talent scouts.

They are part of the national collegiate Coffee House Circuit designed to give new talent a chance to be discovered. SIU-SW, along with four other colleges and universities in Illinois, rates the performers and passes the information along to headquarters in New York.

SIU-SW's chief talent scout is Andri Adair, a junior from Midway, Ill. Working with the University Center program board, she schedules groups through a New York agency and supervises performance evaluations.

So far the "McKendree Spring," and "Things a D Things," two rock groups, have found SIU-SW audiences appreciative of their talents, according to Miss Adair.

With each performance the suspense continues to build. SIU-SW students never know when they might discover a new star, and young aspirants never knowing when they might be discovered.

Under-Achievers Show Impact of Experiment

Graduates of the novel Experiment in Higher Education program at the East St. Louis Center of Southern Illinois University-Southwestern have demonstrated the impact of the program by doubling their standardized test scores over a two-year period. The test scores are an indication of academic achievement.

Seventy-seven students who were supposedly "high risk, under-achievers," responded to the new educational concept by rallying from a sub-par 10th percentile ranking in 1966 to slightly above the national average of 20 by December, 1968.

## Powell Defends State's Driver Education Setup

Critics of the driver education program in schools are "looking through the wrong end of the telescope," Secretary of State Paul Powell told members of the Illinois High School and College Driver Education Association.

Powell said Illinois teenagers have shown a significantly better driving performance than the national average.

"In 1967, Illinois drivers under 20 years of age represented 9.7% of the total and accounted for 12.5% of all accidents reported," Secretary Powell said. "The national average showed that teenagers represented 10.2% of all drivers but were involved in 17.3% of all accidents."

"That is a pretty big difference and I can see no other way to account for it than to give credit to the excellent driver education program in our state," he added.

Enroll Now for U. I. Correspondence Courses

Students planning to use the summer vacation for correspondence study are urged to enroll early, according to Paul H. Tippy, head of correspondence courses, division of university extension, University of Illinois.

Special registration for University of Illinois students will be held from 1:30 to 4:30 p.m., May 26, 27, 28, and 29 in the Correspondence Studies office, 104 Illinois hall. Others may make inquiries by mail. Students whose application data are complete are advised to enroll by mail before the special registration period.

"It takes 12 or 16 years to teach our young people reading, writing, arithmetic and a few other things, how can we expect them at age 16 to suddenly know everything there is about driving an automobile if they have had no previous instruction or practice?" Powell asked.

To critics of driver education who cite increased traffic fatalities, Secretary Powell pointed out that since 1950 "we have put three times as many cars on our Illinois roads and at the same time cut the death rate by two-thirds."

He quoted figures showing that in 1950 there were 1,650,000 motor vehicles registered and the number of miles traveled was 15.5, but that in 1967, there were more than 5,000,000 motor vehicles registered and the death rate was down to 5.5.

"Don't try to tell me that driver education didn't have anything to do with it," Powell said.

## MacMurray Liberalizes Policy on Transfers

MacMurray College extends to junior college graduates and transfer students, the opportunity to graduate on time without added work load or duplication. The difficulty most often confronting the junior college graduates or senior college transfers at MacMurray has been examined by the curriculum committee of the college. The college policy has been liberalized.

## Youth Delivers First Sermon Here Sunday

Jerry Gale Badgett, son of Mr. and Mrs. Duane Badgett, 2201 Robert avenue, was guest minister at the evening worship service of Emmanuel Baptist Church on Sunday.

The youth, who entered the ministry a year ago, is a 1968 graduate of Granite City high school and has been a member of the Emmanuel church for several years. He currently is employed by the Norfolk & Western Railroad in St. Louis.

For the text of his first message he chose Matthew 28:19-20, emphasizing the Christian responsibility to serve Christ in his community, claiming the promise that the Master will be with him as he labors.

Badgett plans to enter Southern Illinois University—Southern campus this fall to begin his preparation for the ministry. Pastor of Emmanuel Church is Rev. Vernon D. Covington.

## Vocal Recital to be Held Tonight on Campus

David Weck of Edwardsville will give his senior voice recital at 8:15 p.m. today in the Lovejoy Library auditorium.

Assisting him will be Kathy McCalla at the piano and David Engelke on the guitar. Miss McCalla is from Granite City, Engelke from Worden. Both are music majors.

## Boating Safety Course Offered in Summer

Southern Illinois University-Southwestern's physical education faculty will offer two classes for landlubbers on the use of small, non-powered watercraft during the summer quarter. Instruction will be at Tower Lake on the campus.

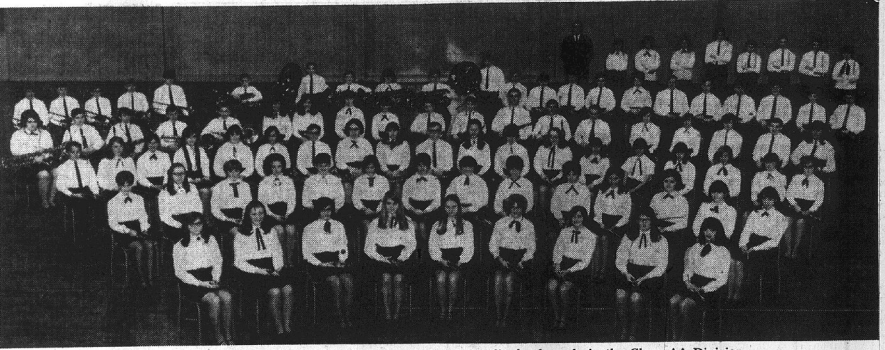

Teacher for the two classes will be Rosemarie Archangel, an assistant professor.

The two classes, which are no-fee courses, will give one quarter hour of university credit to those successfully passing the course.

Covered during the quarter will be basic skills in sailing, canoeing and rowing, with emphasis on safety and the recreational uses to be made of lakes and rivers. The American Red Cross and the United States Coast Guard have consulted with SIU-SW on course content.

Miss Archangel, who has been on the faculty since 1961, is a native of St. Louis, where she now lives. She earned a bachelor degree at Fontbonne College and a masters in physical education at the University of Iowa.

The classes will meet in the mornings, from 7:30 to 9:30, on alternating Tuesdays and Thursdays and Mondays and Wednesdays.

## Soboleski to Tour Europe with U. S. Band, Vocal Group

Stanley Soboleski Jr., son of Mr. and Mrs. Stanley Soboleski sr., 1004 Alton avenue, Madison, has been selected to participate in the 1969 European concert tour of the American Youth Band and Chorus from June 16-July 15.

Members of the group have been chosen through a series of nation-wide auditions based on musicianship, scholarship and character.

Soboleski is a senior at Assumption high school where he won outstanding band awards in his freshman, sophomore and junior years.

He served as vice-president of the Assumption band in his junior year and is the current president. He now plays drums with the Butch Bucherich polka band, currently appearing in Berkeley and Hayward, Mo. Founded and organized by James H. Smith, assistant principal, Taylorville, the group will be making its sixth annual tour of Europe.

Members will rehearse in Maidstone, England, in preparation for concerts in Germany, England, France, Switzerland,

Belgium, Holland and Monte Carlo.

The group is designed to engender good will, mutual respect and friendship between the youth of Europe and those of the U. S.

Students selected for the trip are expected to live by a strict code of conduct to represent the U. S. in the best possible manner.

### Last Rites Today For Joseph Grzybkicki

A 9 a.m. Requiem High Mass was conducted this morning at St. Mary's Roman Catholic Church in Madison for Joseph Grzybkicki, 76, who died at 3:40 a.m. Monday at an Alton hospital.

Survivors are his wife, Mrs. Frances Grzybkicki; two stepdaughters, Mrs. Jeanette Gosciniak and Mrs. Jean Rosman; and a stepson, John Rosnowski; three step-grandchildren and four step-grandchildren.

## Preliminary Plans Ready for Johnson Road

Preliminary plans for paving Johnson road from Franklin avenue around the curve to Pontoon road are to be submitted to the state highway department for review today.

Granite City council members approved Tuesday night for the improvement to be carried out in two motor fuel tax sections with hope that the section from Franklin avenue to Lindell Blvd. can be undertaken within a short time. The second section will be from Lindell to Pontoon road.

Kenneth Kieberger, MFT engineer for the city, pointed out the city has a \$165,000 commitment of MFT funds for the

Nameoki road improvement, and that it is not known when the state will require payment. For that reason, he arranged the continued improvement in two sections, as recommended by several aldermen.

**\$160,000 MFT Sought**

Resolutions adopted by the council Monday night requested allocations of \$80,000 MFT funds for each of the two sections.

The project calls for a 36-foot concrete pavement, curbs and gutters and related drainage work.

Once the plans are completed and more specific cost estimates are available, the engineer and Mayor Partney are to confer with state highway officials. Mayor Partney said he had talked to Robert Kronst, district highway engineer, and there is a possibility the state would advance MFT funds to the city for the Johnson road project.

Alderman Dawes called for reconsideration of a city-wide street improvement program under an MFT bond issue proposal. "Now that the storm water sewer lines are in, perhaps we can get the support needed to put over such a proposal so we won't have to go after things on a piecemeal basis," Dawes added.

**Feeders for Rte. 151**

Nom stressed the need for a review of feeder routes for the new Federal Aid Route 151. "We should meet with state highway officials about the improvement of Rock road, widening of West 20th street and improvement for Niedringhaus avenue. Once that highway is finished, those routes are going to be the most important in the city."

The alderman also urged further action with the Illinois Commerce Commission for repairs to rail crossings. He was

## Social Security Answers

Answers to questions asked most often at the Social Security office are provided by Ralph Brasher, district manager at East St. Louis.

The questions and answers follow:

**Q. I am 25 years old and I believe I now can get disability benefits because the necessary work credits have been reduced for workers disabled while young. I applied for benefits several years ago, but my claim was denied because I didn't have enough credit. What should I do?**

**A. A worker who becomes disabled before he is 24 needs credit for 1 1/2 years of work in the 3 years before he becomes disabled. A worker disabled be-**

tween 24 and 31 needs social security credits for half the time after he is 21 and before he becomes disabled. A worker disabled at 31 or later needs credit for at least 5 years of work in the 10 years just before he becomes disabled.

**Q. I will be 62 in 3 months. I do not have a birth certificate, but I have secured some documents showing my age and I am attempting to get more credit. I will until I have all my records before I apply for benefits?**

**A. No. You should apply now. The people at your social security office will tell you if you have enough evidence of your age. If more is needed, they will help you get the additional evidence.**

**Q. I am 50 years old. For the past two years I've been receiving disability benefits based on my own work under social security. Since my husband died recently, I'm wondering if I'm eligible for disabled widow's benefits also.**

**A. You may be. It is possible to be eligible for benefits as a disabled worker and as a disabled widow at the same time. However, you cannot be paid both benefits. You would be paid the higher of the two benefits.**

**Q. I am a retired farmer. If I rent out my farm for cash, will the rental income count against my benefits?**

**A. No, not unless you materially participate in the farm operation. Cash rental income does not count toward the \$1800 exempt amount unless you enter into an agreement to help produce the potato crop. Nor would you have to pay social security contributions on this income.**

**Any questions concerning social security may be sent on a card or in a letter to "Social Security Questions and Answers," 650 Missouri avenue, Room 104, East St. Louis, Ill. 62201.**

**Ludwig Konvicka, 60, Expires; Ill 6 Years**

Ludwig J. Konvicka, 60, of 2121 Grand avenue, a native of Czechoslovakia, died at 8:30 p.m. Monday at St. Mary's Hospital in East St. Louis. He had been under medical care for the past six years for emphysema and a heart condition. An autopsy will be performed to determine the cause of death.

A local resident for seven years, he had been employed as a machinist at General Steel Industries until his illness forced him to retire.

Mr. Konvicka was a member of St. Joseph Roman Catholic Church and was a past president of Eagles Lodge 1126.

He is survived by his wife, Mrs. Catherine Konvicka; one son, Michael Konvicka of Chester, Pa.; two sisters, Mrs. Elizabeth Ludwig of Belleville; Mrs. John (Frances) Toello, Florissant, Mo.; a brother, Adolph Konvicka of Kansas City, Mo.

Funeral arrangements are given in today's obituary column.

## Summer School Offers Many Special Interest Subjects

Granite City's annual summer school program for elementary and junior high school pupils will open June 2 for morning sessions over a seven-week period. It was announced today. The summer classes will end July 18.

James Dumont, principal of Coolidge junior high school and general chairman of the program, said summer elementary classes will be conducted in eight school locations. All junior high school classes will be held in Coolidge junior high school.

While the summer school program will provide strengthening and make-up work in the basic subject areas, an extensive schedule of special interest subjects has been developed for students who can benefit from supplemental work be-

yond that which is normally taught during the regular school year.

Attendance hours for the elementary grades will be from 9 a.m. until noon daily, while the junior high school classes will be from 8 a.m. until noon daily. There is no tuition fee, but elementary pupils will pay a \$2.50 fee for supplies and materials and junior high pupils will pay a \$3 fee for the same purpose.

**Furnish Own Transportation**  
Transportation will not be furnished. Dumont said that parents will be responsible for their children getting to and from classes. He noted also that since costs of summer school are defrayed entirely from and dependent upon regular attendance, it is essential that when a pupil is enrolled his attendance must be continuous and regular.

In addition to basic subjects at the elementary classes, nine separate special interest classes

have been scheduled in addition to four other subjects of junior high school level that will be offered to sixth grade pupils only.

The eight special interest classes for the elementary group include social studies, to be developed through the use of field trips, films, resource persons and group projects; use of library, aimed at development of reference skills; community resources, comprising a series of field trips dealing with local business, industry and government.

Arts and crafts, elementary science, state history, creative dramatics and creative writing, speech and geometric art. This latter subject, involving introduction of geometry as a means of developing art skills, will be offered only to fifth and sixth grade students.

**For 6th Grade Only**

The remaining four subjects at junior high level to be offered only to sixth grade pupils include home mechanics, plastics, art enrichment and modern space science. These four classes will be taught at Coolidge junior high school rather than in the elementary summer school centers.

Location of the centers and pupils assigned include: Emerson school, to be attended by pupils of Niedringhaus, McKinley and Emerson schools; Marshall; Frohardt school, attended by pupils of Parkview and Frohardt; Mitchell school for pupils of Mitchell school.

Nameoki school for Nameoki pupils; Maryville school for Maryville pupils; Washington school for pupils of Logan and Washington, and Stallings school for pupils of Lake and Stallings.

In addition to regular strengthening and special interest subjects, the junior high school program will include make-up work for 9th graders who have failed one or more subjects.

**Can't Complete Grade**

Dumont pointed out that neither the elementary or junior high program will permit a pupil to start a grade and complete it by summer school attendance. However, he noted, a pupil who otherwise might be required to repeat a grade, may, through summer school work and with the concurrence of the summer school teacher, the regular teacher and the principal of the school where the pupil attends, be permitted to go on to the next grade.

The junior high school program includes a schedule of 25 special interest subjects. These include modern space science, creative dramatics, band, art enrichment, plastics, home mechanics, Russian, Spanish, Greek, recreational sports or recreational activities, antiquing, journalism.

Basic economics, reading for enjoyment, current events, literature and composition, community resources, word power, Greek mythology, creative writing, physical fitness, leathercraft, vocal music and home-making.

The junior high strengthening subjects will include 7th and 8th grade work in language arts, social studies and arithmetic. Ninth grade make-up work will include English II, general mathematics II, algebra II and general science II.

## Council Report Lists Status Of Sewer Funds

The operational fund of Granite City's sewerage treatment plant had an April 1 balance of \$23,796, while the treatment plant construction fund showed a balance of \$113,454, according to figures released by City Treasurer E. R. "Pete" Rich and Comptroller Robert Stevens.

In a report to city council members Monday night, the two finance officials showed total income from all sources amounting to \$887,379 since the city began operation of the plant. Disbursements during the same period totaled \$863,892. Of the total income, \$838,647 represents receipts from service charges. Other items of revenue include \$738 in penalty assessments, \$4860 in interest from investment of bond funds during construction and \$18,815 in reimbursements.

Expenditures listed in the report include "miscellaneous expenses" of \$108,664, \$75,000 in bond redemptions, \$116,315 in interest costs and \$242,226 in salary payments.

**Includes Bond Proceeds**  
From total revenue of \$1,711,522 in the plant construction fund, expenditures of \$1,388,907 had been made as of the April 1 report date, the figures show. Revenue of the construction fund included \$1,225,000 in bond proceeds, \$427,385 in federal grants, \$19,920 in accrued interest and \$39,236 in earned interest.

Expenditures against this fund is spearheaded by \$1,280,359 in plant construction costs, \$110,312 in engineering expense and \$85,742 in interest payments. Other items of expense include \$22,670 in miscellaneous expense, \$21,782 in salaries and \$15,704 as a deposit for a gas line to the plant.

A balance of \$23,197 in the original Nameoki Area Sewerage fund also was on hand April 1, while the Nameoki Area Construction fund showed a balance of \$19,251. Revenue of the Nameoki Area fund amounted to \$1,312,090, the report shows, and expenditures have totaled \$989,783.

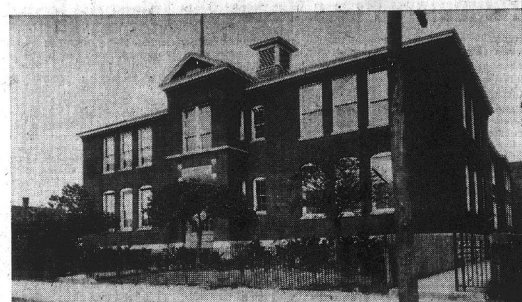

The disbursements listed in the report show that while \$274,000 has been spent for redemption of bonds, interest payments have totaled \$643,458.

Construction fund income totaled \$1,422,561 since the time the project was initiated, with expenses of \$1,403,309 during the same period.

**Status of Other Funds**  
Other sections of the report show a balance of \$182,174 in the Nameoki Area Sewer Lines Reserve fund. No expenses are shown against this fund whose total revenue is represented in the \$182,174 balance. Of the amount, \$148,425 represents receipt of rental fees.

The Special Sewer Construction fund, with total income of \$121,963 and expenditures of \$59,890, shows a balance of \$22,054.

The report lists condition of

WASHINGTON SCHOOL as it appeared in the early 1920s with its iron fence and gates.

## 'Little' Sales Tax Netted \$601,407 for Cities in '68

The municipal share of the Illinois sales tax was once considered a "drop in the bucket" in comparison to the 1968 revenue. But Quad-City governing agencies are \$601,407 richer as a result of this levy in 1968.

Annual figures newly available from the Illinois Department of Revenue show \$496,021 forwarded from the Springfield collection office to Granite City, \$79,860 to Madison, \$16,671 to Venice and \$8853 to the village of Pontoon Beach.

The city sales tax went into effect Feb. 1, 1966, in the three local cities at a rate of a half-cent per dollar of sales. Pontoon Beach reimbursements by the state began Jan. 1, 1964.

The tax rose to three-fourths of a cent per dollar on Aug. 1, 1967, following authorization by the Illinois General Assembly and implementing ordinances by the four agencies here.

other sewer funds as follows:  
Area No. 2 sewerage fund—Income of \$407,267 with expenditures of \$392,824, leaving a balance of \$14,443.

Sewer Extension fund—Income of \$370,673 with expenditures of \$274,356, leaving a balance of \$102,319.

Area No. 3 sewerage fund—Income of \$10,388, no disbursements.

Area No. 3 Construction fund—Income of \$3,042,243, expenditures of \$2,102,916, balance of \$949,326.

### New Yearly Record

The \$601,407 total for 1968 is 34 1/2% higher than the 1967 tally of \$447,281, which was the previous record.

A gain of 24% would have resulted from the rate change; the difference between 24% and 34 1/2% reflects a greater sales volume.

The 1967 breakdown was \$370,485 for Granite City, \$58,885 for Madison, \$14,212 for Venice and \$7335 for Pontoon Beach. These totals and the 1968 figures indicate the greatest percentage increases were in Pontoon Beach, Granite City and Madison.

**Breakdown by Municipalities**  
The 1968 sales tax receipts listing by months follows:  
Quad-Cities—\$41,653 January, \$42,792 February, \$51,384 March, \$53,724 April, \$51,722 May, \$59,486 June, \$48,055 July, \$50,008 August, \$53,917 September, \$45,329 October, \$46,717 November and \$64,470 December; total, \$601,407.

Granite City—\$34,176, \$34,287, \$42,244, \$40,012, \$42,688, \$46,991, \$39,400, \$41,349, \$45,330, \$36,761, \$37,893 and \$54,904; total \$496,021.

Madison—\$5688 January, \$6441 February, \$7074 March, \$6317 April, \$6825 May, \$7788 June, \$6372 July, \$6738 August, \$6572 September, \$6620 October, \$6532 November and \$7016 December; total, \$79,860.

Venice—\$1250, \$1154, \$1436, \$1538, \$1435, \$1460, \$1556, \$1271, \$1401, \$1322, \$1354 and \$1795; total, \$16,671.

Pontoon Beach—\$537, \$508, \$639, \$685, \$693, \$734, \$726, \$689, \$641, \$711, \$1153 and \$799; total, \$8853.

## Teacher is Named Day Camp Coordinator

Miss Margaret Roberts, a physical education teacher at Maryville school, was appointed coordinator of the annual summer day camp program, sponsored by the Granite City Association for Retarded at a general meeting of association members Monday evening.

Mrs. Nelma Black, president, conducted the business session, attended by 25 persons at St. John United Church of Christ. It was announced the 1969 day camp will be conducted for area retarded youngsters from June 9-20 at Wilson Park.

Delivery of a new bus to be used in transporting the children from home to the park this summer and for other activities sponsored by the association was reported by members of a special purchasing committee.

The next meeting will be Monday, May 26, at St. John Church.

## 1969 'Mosquer' Award Winners to be Named

An annual event, anticipated by members of the Mosquer Company to no lesser extent than announcement of the Oscar awards in Hollywood, the Tony's on Broadway or television's Emmy awards, will take place Sunday evening when the 1969 "Mosquer" awards banquet is held at the Rose Bowl restaurant.

Two Mosquer performers, nominated and voted upon by the entire membership, will be honored as "Best Actress" and "Best Actor" of the past season, according to Mrs. Milli Hoelscher, Mosquer president.

For the first time, an award will be presented this year to the person voted as having contributed most significantly to

overall operation of the organization, Mrs. Hoelscher said. A total of five shows has been presented by the amateur theatrical group the past season, which has produced only three shows in previous years.

The eight o'clock dinner Saturday will be followed by installation of new officers, with Mrs. Leon (Beverly) Scroggins of Granite City installed as president. A sixth grade teacher at Mitchell school, Mrs. Scroggins received the "Mosquer" award as "Best Actress of the Year" in 1968 for her performance as Lili in "Carnival."

Entertainment will be furnished by Mosquer members performing excerpts and impressions from shows proposed as future Mosquer productions.

## Director of Cards Is Kiwanis Speaker

Ken Daust, director of community relations of the St. Louis Cardinals, was featured speaker for the dinner meeting of the Kiwanis Club Monday evening.

Daust spoke on the Cardinal team from the players' angle, giving statistics concerning the team and also "behind the scenes" incidents.

Ron Willis, who is from Wilkesville, Tenn., proved to be one of the most humorous speakers in the Cardinal organization, it was discovered through the Cardinal Caravan touring the country, Daust said.

The guest speaker upon ending his talk, showed a film, "Tomorrow's Game" with the Cardinal organization at work at training camps in Florida. The film also showed the requirements for selecting new players and the intensive training a player must undergo to become a big league player.

Guests at the dinner was the Kiwanis Club sponsored team from the Granite City park district league. The guests were Mike Willis, Randy Knucha, Ricky Kent, Steve Burdige, Howard Ebertson, Terry Ripka, Gary Zimmer, Jim Childers, Mike Cain, Roger Raub, Bryce Wyatt, Jerry Duncan, Mark Spear, Norm Lazzaroff, manager Jerry Duncan, and coaches Howard Ebertson and Robert Knucha. Other guests included Tim Wolfe and Jim Wolfe of Glen Carbon, Gilbert Zuball, Herbert Schannott sr. and Russell Richardson.

Club President Edw. Moore announced the annual recognition dinner for teachers who have taught school in the Granite City school district for 35 years or more will be held on May 12 at the Rose Bowl and again will be sponsored by the Kiwanis Club. Since the first dinner was held in 1966, several of the teachers have retired but will be invited to attend as they were guests at the original dinner.

## Scout Camporee Opens Tomorrow

Boy Scouts of the Quad-City area will pit their wits Saturday and Sunday in the annual spring camporee of the Cahokia Mound Council at Fort Kaskaskia in southern Illinois about one mile south of Ellis Grove on Route 3.

About 350 to 400 Scouts are expected to attend the event, according to David Parish, Uni-Way District camping chairman.

An extensive program of activities is planned, including many competitive events in which teamwork by patrols will be featured. John Pekarik, district activities chairman reported. Events will include "Through the Alligator Pit," pancake frying contest, nature identification and blindfold tent pitching.

Robert Burns, scoutmaster of Troop Eight of the First United Presbyterian Church who will serve as campfire director, said a district campfire will be conducted Saturday night.

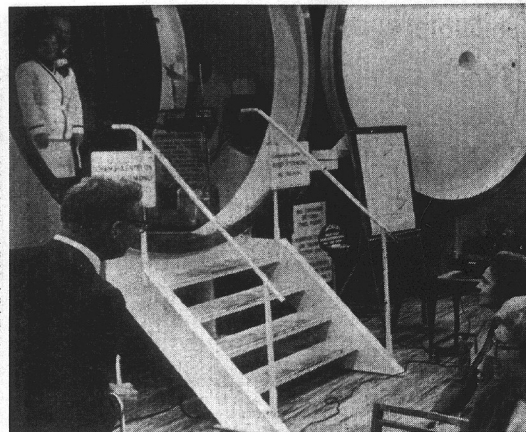

Principal competitive events will take place in the afternoon instead of the morning so that a greater number of boys will be able to participate. Some of the scouts are not expected to arrive until Saturday morning.

## Sgt. Ralph Rideout Jr. With Outstanding Unit

Sgt. Ralph L. Rideout Jr., son of Mr. and Mrs. Ralph L. Rideout sr., of 2018 McCasland avenue, Madison, is a member of an Air Force Communications Service unit in Southeast Asia that has earned the Air Force Outstanding Unit Award for the third time.

He is a communications equipment repairman with the 194th Communications Group at Korat Royal Thai AFB, Thailand, that was cited for outstanding communications support to combat units in Thailand from July 1967 to June 1968.

The sergeant, a graduate of Madison high school, attended the University of Illinois and Blackburn University in Carlinville.

## Award Presentations For Cub Pack 19

Pack 19, Cub Scouts, held a monthly meeting Monday evening at Washington school with Cubmaster Gary Barnstable in charge.

After the flag pledge and the minutes read by Phyllis Mosby, James Crews called the roll for attendance and Mrs. Phyllis Ficker of Den One was the winner.

Mrs. Lela Johnson, Den Mother Three, gave a skit on "vegetables" and pins were presented by Cubmaster Barnstable as follows: Eddie Webb, Webelos, an athletic pin, an artist pin and a one-year pin; Doyle Ellidge, Den One, one-year pin, and a pin for perfect attendance; Richard Ficker, Den One, golden arrow pin and wolf badge; Danny Collins, Den One, a gold and silver arrow under the Wolf Badge; Allen Johnson, Den Three, one-year pin; Richard Revels, Den Two, wolf badge and gold arrow.

A special ceremony was conducted by the Cubmaster with John Moore and Mark Myers receiving certificates and neck scarves as they were installed as Webelos.

Following the meeting a cake walk was held and \$15.40 was raised for the pack. Den One mothers served refreshments to the members and guests.

### BIRTHDAY REUNION

A birthday reunion was held in the home of Mr. and Mrs. Otis Scholebo, 1705 Courtenay Blvd., Sunday afternoon with a smorgasbord dinner in honor of seven birthdays, observed in April. Honored were Mr. Scholebo, a son, Otis Scholebo Jr.; a daughter, Dianne Hill; Mrs. Ruth Cole, Ricky Lohman, Pat Harmon and Bob Langworth.

The table appointments were in keeping with a birthday motif. There were two large sheet cakes, one decorated with the anniversary greeting and the other one contained all the names of the honored guests.

The honorees were presented with gifts, and the afternoon was spent playing games. Local guests were sons and daughters-in-law, Mr. and Mrs. Donald Scholebo and children, Mr. and Mrs. Ronald Scholebo and daughter, a daughter and son-in-law, Mr. and Mrs. James Hill and children, Mr. and Mrs. A. D. Brown and children, and Mrs. Milton Thompson and son and Mrs. Dorothy Sims and son.

Out-of-town guests were Mr. and Mrs. Henry Geigg and son, St. Mary, Mo.; Mrs. Linda Roth and Mrs. Burnett Haug, St. Genevieve, Mo.; Mr. and Mrs. Roger Owens and Mr. and Mrs. Willard Gardner and daughter of Percy, Ill., and Mr. and Mrs. Joe Owens and Mrs. Ruth Cole, Sparta, Ill., and Mr. and Mrs. Sonny Harmon and children, Coletville, Ill.

### FAMILY REUNION

About 50 friends and relatives attended a family reunion potluck dinner Sunday afternoon at the Kirkpatrick Recreation Hall. Hosting the covered dish event were Mr. and Mrs. Lorenzo Di Marco, 2307 Kirkpatrick Homes.

Attending were Mrs. Alfred (Pearl) Thomas and granddaughter, Cathie Burton, Mr. and Mrs. Odell Davis and daughter, Connie, Kenneth H. Cattung and Mrs. Ada Christian. Out-of-town guests were Mr. and Mrs. Edward Gougen, Fillmore, Ill., Mr. and Mrs. Douglas Davis, Ramsey, Ill., Mr. and Mrs. Lee Mesnier and daughter, Sharon, Maryville, Mo., and Mrs. Anthony Luckish and children, Tony and Julie, Edwardsville, Mo., and Mrs. Burnell Davis and daughter, Beverly, Mr. and Mrs. Vernon Singleton and daughters, Karen and Susan, John Ballard, Tony Ballard, Jeff Chapman, Kenny Day, Mr. and Mrs. Francis Richardson and son, Todd, all of Collinsville, Mr. and Mrs. Walter Judd and children, Larry, Joseph, Josephine, Patrick and Tina Marie, Michele Brown, Cathy Downs and Blake Knotts of Madison, Mo., and Mrs. Samuel DiMarco and Mrs. Joseph DiMarco and children, Sharon, Debra, Joe and Sammy of Overland, Mo.

### SOCIAL CLUB MEETS

Mrs. Ann Kazman, 2572 East 27th street, entertained the members of the Koffee Klatchers Social Club in her home Tuesday morning and the group signed a get-well card for Mrs. Pat Eaton, who is a patient in St. Elizabeth Hospital where she is undergoing a series of tests.

The morning was spent in a social hour. Prize winners were Mrs. Helen Bertachchi, Mrs. Mary Rita Ahlers, Mrs. Carmen Grider, Mrs. Helen Santagato and Mrs. Doris Stotz.

Mrs. Santagato, 2325 Edwards street, has invited the club to her home for the May 13 gathering.

**TROOP 704 PLANS EVENTS**  
The Butterfly Patrol called the weekly meeting to order for Junior Girl Scout Troop 704 sponsored by the Webster PTA, Monday afternoon at the school. The leader, Mrs. Mae Lee was assisted by Mrs. Elizabeth Griffin.

Mrs. Lee reminded the scouts of day camp registration that may be turned in to the district chairman, Mrs. Doris Volaw, 2705 Angela drive, today or may be mailed in. An invitational for new brownies, a junior "fly up" and a cadette bridging will be held in the school gymnasium May 6 from 7 to 9 p.m. Parents may attend and they are asked to contact Mrs. Lee if they are to be present.

During a badge workshop, the

members performed a playlet on "Juliette Lowe's Life" and how scouting began in America, in keeping with the requirements of the troop dramatists badge. The girls completed and wrapped a mother's day gift and a former member, Angela Thomas, who moved to Germany with her family last year, was welcomed back into the troop.

The meeting adjourned with the disappearing tunnel. Attending were Barbara Beavins, Mary Kay Chapline, End Cox, Tammy DePew, Pam Emring, Sarole Griffin, Corina Kuhn, Karol Lee, Linda Pool, Vicki Pulley, Karen Tolan, Leisa Teravasi, Susan and Vickie Welty and Patty York.

### ARTS, CRAFTS PROJECT

Brownie Troop 899 sponsored by the Webster PTA met at the school Tuesday afternoon and an arts and crafts project was completed under the leadership of Mrs. Valara Schorfhiede, Mrs. Anita Moody, Mrs. Barbara Blackburn and Mrs. Alma Buentz.

Mrs. Moody and Mrs. Buentz conducted roll call and collected brownie gold and the scouts practiced a flag ceremony which they will perform for the sponsor in May. The troop discussed an all levels bridging, for all troops at Webster, which they will participate May 6. Each troop will provide enough punch and cookies for their own scouts and guests.

Mother's day presents were made and gift wrapped and the meeting dismissed with a recreation period of "Little Sally Waters."

Responding to roll call were Pamela Allen, Robin Beavins,

Connie Blackburn, Cheryl Brinkley, Connie Bronnhaer, Susan Buentz, Loranda Bush, Rebecca Clay, Julie Grider, Rebecca Grimes, Donna Hiel, Terri Hutchinson, Christine Kuehn, Sandy LeMaster, Wendy Ann Moody, Renee Nui, Cynthia Parsons, Susan Prokopchik, Sheri Ross, Kathy Rumpf, Becky Schorfhiede, Donna and Patty Smith, Robyn Stark, Lori Ann Taylor, Leann Thomason, Rebecca Wallemate, Sheila Weller, Nancy Watkins and Carol Weber.

### WEBSTER SCHOOL PICNIC

**GOLDEN WEDDING.** Mr. and Mrs. Walter Kubant of Paradise, Calif., long time residents of Granite City, who celebrated the 50th anniversary of their marriage at the home of a son, Don Kubant, in Fremont, Calif.

## Kubants Observe Anniversary

Mr. and Mrs. Walter Kubant, former Granite Cityans now residing in Paradise, Calif., celebrated their golden wedding anniversary at an open house in the home of their son, Don E. Kubant in Fremont, Calif., recently.

Present for the occasion were the Kubant's three children, Mrs. Alice Reid and Don Kubant, both of Fremont, and Mrs. Virginia Curry of Wilmington, N.C., six grandchildren and three great-grandchildren.

Also present were Mrs. Esther Robinson, a sister of Mr. Kubant and Mrs. Catherine Michel, a long-time friend, both of Granite City, and a niece, Mrs. Pat Gilbert of Los Angeles, Calif. About 100 guests joined in the celebration.

## Chapter KU Program on Hats

Chapter KU of the P.E.O. Sisterhood was entertained Monday evening in the home of Mrs. William Burcky, 2568 Spaulding avenue. Seventeen members were present.

The state convention program to be held in Bloomington June 11-13 was outlined. Mrs. George Goolidge will serve as delegate to the meeting and Mrs. James Craddock is the alternate. Another member, Mrs. Glen Rice, is to take part on one of the programs.

Monday's program was given by Mrs. Melva Nafziger. It was on "Hats, Old and New" and a number of hats designed and made by herself were displayed.

The next meeting is to be with Mrs. William Lierman, 2496 Waterman avenue, May 13.

## Chapter HT, PEO Hears Review

Chapter HT of the P.E.O. Sisterhood met Monday afternoon with Mrs. Robert Backs, 17 Bermuda lane. Nineteen members were present.

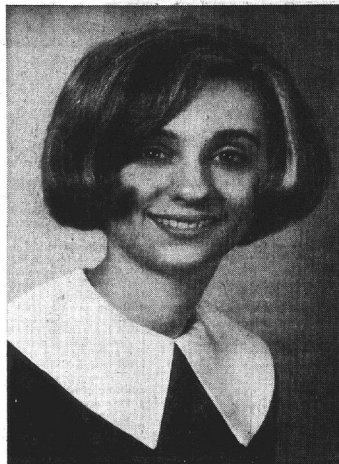

A dessert luncheon was served, and the program for the afternoon was presented by a guest, Mrs. William Lierman, a member of KU Chapter who gave excerpts from the book, "Out of The Heart," by Stella Clapp.

After the program, a handkerchief shower was given by the hospitality committee for Mrs. James Harsh, a member moving to Texas.

## BIRTHDAY PARTY HONORS SCOTT SCHOENHARDT

Mr. and Mrs. James Schoenhardt, 2514 State street, entertained guests this week in honor of the second birthday of their son, Scott. Using Walt Disney characters for decorations, the theme was carried out on the birthday cake and table appointments.

Guests were the honoree's grandparents, Mr. and Mrs. Charles Odum and Mrs. and Mrs. Clifford Schoenhardt, and a great-grandmother, Mrs. Velma Ash, Mr. and Mrs. Kenneth Odum, Mr. and Mrs. Wayne Thomas and son, Mark, Mrs. Edna DuFrain and grandson, Jeff Golden, Mrs. Sharon Odum and daughter, Becky, Mrs. Geraldine Golden and son, Keith, Mr. and Mrs. Roger Schoenhardt and children, Duane, Timothy, Lynn Kay and Todd.

## Democracy Fragile; Abandoning It For 'Good Cause' Dangerous Game

(Wall Street Journal)

In light of continuing protest at Harvard and elsewhere, we are pleased to see some fresh thinking turning up in public discourse on the subject of dissent.

Some of the new comments stress the obvious fact that the best idea that dissent is most constructive in a democracy if it is well considered. Significantly, this view is espoused by some perceptive liberals, who fear that if dissenters don't limit themselves to a far more extensive limitation at the hands of severe public reaction.

Thus the American Civil Liberties Union in a recent statement warned student protesters that "to abandon the democratic process in the interests of 'good causes' is to risk the destruction of the present but for the future, not just for our social order but for any future social order at all."

"Freedom, the world has learned to its sorrow, is a fragile plant that must be protected and cultivated."

And thus John Gardner, the former Secretary of Health, Education and Welfare and now head of the Urban Council, remarked in a recent speech:

"The responsible citizen comes to understand the complex machinery by which change must be accomplished, finds the key points of leverage, identifies feasible alternatives, and pursues his work by real results."

"The irresponsible critic never exposes himself to the tough tests of reality. He doesn't subject his view of the world to the cleansing discipline of historical perspective or contemporary relevance. He defines the problem to suit himself."

A perhaps less clear-cut affirmation of well considered protest came in the recent decision of a Federal judge in Massachusetts to uphold a defendant's claim to conscientious objection to war on the basis of conscience alone rather than traditional religious beliefs.

The decision, if upheld, is bound to unleash a host of deviling problems for the Selective Service System.

But insofar as it is possible to ignore this practical problem, the ruling gives added validity to the dissent of the "sincerely conscientious man whose principles flow from religious, educational, practical, sensitivity to competing claims and a search for a meaningful life," in the words of the judge.

The point which seems finally to be gaining acceptance is that protest is a deadly serious thing. However alienated the protester may feel, his protest does not exist in a vacuum; he is bound to provide a response for which, like it or not, he is in part responsible.

The nature of his protest may help determine whether its outcome is constructive or disastrous.

Plenty of today's protesters don't face up to this reality—the student militants the ACLU cautioned, for example.

They are not cynically making their buildings and their self-serving but otherwise irrelevant reasons make an issue of amnesty for their own. They are reacting with violence to the expression of views other than their own.

They are, if not cynically malicious, only playing with power. Yet the practical results of their dangerous games are likely to slip out of control, proving of little value to either protester or society.

The truly conscientious protester, who fully calculates the consequences of his acts and who is conscious enough to answer his critics rather than trying to shoot them down, makes protest which is thoughtful as well as merely violent.

And rather than triggering harsh reaction, it may more often result in a valuable contribution to the process of democratic change.

## Carry Out Delinquent Personal Property Tax Collection Drive Firmly, Promptly

Now that Madison county has embarked on an ambitious effort to collect delinquent personal property taxes, it will be important to implement the procedures properly and thoroughly.

If it is evident to the public from the start that the county "means business," compliance can be achieved with much less cost and trouble than would be involved in a half-hearted approach.

Success of the special collection campaign is imperative because it offers greater governmental revenue, the prospect of lower county taxes and much more efficient use of the tax burden.

All three are worthy objectives.

Most people pay their taxes, but some have taken advantage of loopholes in the previous collection process. We don't have much sympathy for such "artful dodgers" and they receive the same governmental services as those who meet their financial responsibilities.

These services include those of the schools, city, townships, parks and county.

Everybody who owes taxes ought to pay them, and when they do it leaves a lighter load for everyone. Committed to seeing that the personal property tax law is fully enforced, the county ought to do just that with firmness and determination.

## Changing Times Have Led To Virtual Unanimity On Daylight Time Issue

"By the time I get to Phoenix... it'll be an hour earlier than in neighboring states. Arizona and Michigan have decided to go to standard time in daylight saving time this year."

But, thanks to the federal law that requires states to choose between "slow" or "fast" time, the change will not be universal.

Even though the change will be made, it is not a universal one. Today, 47 states, tomorrow, 50?

The daylight time issue was once a burning one and led to a lot of bickering by government leaders trying to interpret and cater to the wishes of their constituents.

We recall one year in which all clocks locally were turned forward except the Granite City city hall timepieces and the clocks at a few stores.

The rallying cry of the "slow time" advocates was "the clock is slow in the neck of the morning." This plea has been effectively shot down by the prevalence of home air-conditioning.

Leisure and recreation are said to be the

wave of the future, and the approaching unanimity on "fast time" proves that most people value the extra hour of summer evening daylight for one or more of the many forms of outdoor activity available to them.

## Auditor Howlett Should Be Allowed To Continue Administering Audits of Cities

The Illinois General Assembly would be wise to adopt Senate Bill 701 creating a Department of Local Government Affairs and consolidating the present agencies which deal with the problems of local-level governmental units. Agencies affected would include the property tax division and appeals board.

But the bill should be amended to leave the administration of municipal and county auditing laws in the office of the Auditor of Public Accounts. Under Auditor Howlett, these laws have been administered skillfully; Illinois is recognized by other states as the leader in the auditing and the accounting practices of its local taxing bodies.

Another reason for retention of a separate auditing process is that the agency aiding local governments with their budgeting, assessment and equalization problems should not be the same agency responsible for auditing their financial procedures.

It will be recalled that until the urging of Auditor Howlett and others, Illinois had few laws regarding independent audits of municipalities, counties and other public bodies and virtually no supervision of such audits to make sure that they were accurate and meaningful.

Aided by the legislature, auditor's office, Municipal Audit Advisory Board and Illinois Society of Certified Public Accountants, much progress has been made. Unless amended, this portion of Bill 701 would be a step backward.

## Illinois Should Accelerate Its Highway Construction, Pay For It Now—Not Later

Lieutenant Governor Simon's column this week affords excellent food for thought. Granted that the gasoline tax should be raised two and a half cents a gallon to permit road building, should the state also embark on a bond program that would see it devoting huge sums to interest payments?

The need for more and better highways is obvious. It is also pertinent to note that construction will continue to increase in cost as wages and other related costs rise and as inflation takes its toll. The sooner highways are built, the lower the expenditure.

But surely the price tag per mile of road will not spiral enough to match the amount of money required to service \$2½ billion in 10-year debt. The state ought to seriously consider taking a full look at their highway needs and allocating enough funds to meet them directly, rather than borrowing against a future year when there are likely to be still more road building obligations.

As much as Quad-Cityans and other residents of this area would like to see the state's highway program remain at their present levels, there is no serious disagreement with the basic proposal of the Illinois Highway Study Commission. A massive acceleration of highway building is essential, making higher spending unavoidable.

It should also be pointed out that Illinois ranks among the lowest states in the percentage of highway mileage that is in good repair. Administration and other items loom large in the Division of Highways budget, and even major state-wide revenue increases bring about a slight quickening in the meandering pace of the projects.

An infusion of new funds and a revision in priorities and distribution appear to deserve immediate attention.

## FROM THE STATEHOUSE

By LT. GOV. PAUL SIMON

## A Dangerous Bond Issue Proposal

Illinois faces a serious road situation, and Governor Richard Ogilvie has called for a series of taxes to meet the need.

Because of the headlines about the 2½ cent requested increase in the gasoline tax, little attention was paid to another feature: a call for a massive bond issue of \$250 million per year for a 10-year period to building additional highways.

This means at the end of the period an indebtedness of two and one-half billion dollars.

About a decade ago, the President suggested to Congress that there be a national bond issue for the federal highway system, but Senator Albert Gore of Tennessee put up a valiant fight for a pay-as-you-go plan. Fortunately for the nation, Senator Gore won, and the nation is not added with paying gasoline taxes for interest.

Interest on an indebtedness of two and one-half billion dollars is \$150 million a year, calculated at the rate of 6%. This is equivalent to 3½ cents per gallon tax—solely for interest—if the state gets all the money from the tax (and not goes to local government). Under the present formula, it would take more than 7½ cents per gallon to pay the interest.

The advantage of such a system is that it gets roads built now, quickly. Because of the rising costs of construction, it gets many of them built more economically.

But hopefully serious study will be made to see alternatives. The other practical "advantage" is, of course, that the roads get built now and someone else pays for them later on. That has some political pluses, but there is a serious question whether this is in the long-range public interest.

Going the route of issuing bonds is a little like walking into quicksand: the more you go into it, the deeper you get, and it is extremely difficult ever to change such a pattern.

Make no mistake about it. The proposal to issue bonds is a major change in the Illinois highway concept. It is a road of no return.

If you want your gasoline taxes to go for building roads rather than paying interest, you had better take a good, hard look at the current proposal.

## Planners Look Back To 1809, 1817

(Granite City Long-Range Plan)

The area now known as Granite City has settled much less than St. Louis, Cahokia or Ill. noistown (East St. Louis).

In 1809, a Frenchman named Jarrot was granted a 40-acre claim on the site where Granite City stands, on the basis of the improvements he made on the land. These improvements consisted of the clearing and cultivating of the bottomland by Jarrot's employees.

Settlers began to drift into the area, primarily from the south. Most of these settlers took advantage of the militia rights, which entitled them to land to 100 acres of public land.

John Anthony, a Pennsylvania, built a hut on the site of Jarrot's in 1815. He built a small cabin which he used to travel, along with overnight room and board.

## Arabs Urged To Meet With Israel

(Near East Report, Washington, D. C.)

"The position of the Big Four will be a new measure to unmistakably define the position of friend and foe. The position of these powers will determine for each one of them the extent of its relations with our Arab world, for many years to come."

The statement was made by President Nasser in a speech to the Arab League in Cairo on March 27.

We emphasize it because it explains why we have apprehensions about the Big Four initiative to draw up the terms of an Arab-Israeli settlement.

Nasser is literally blackmailing the Big Four. If they take any position which Egypt does not like, he will withdraw his cooperation.

"Egypt will be impaired, their interests will be prejudiced."

This is an elementary principle in Arab foreign policy. The Big Four is automatically regarded as an Arab foe. Now Nasser has underlined this new position.

The Big Four begin their efforts to draw up proposals which UN Envoy Gunnar V. Jarring will offer to the parties.

Since the USSR and France are already committed to support the Arabs, Nasser is aiming his warning at the United States and England.

He went on to say that Arabs were disappointed by the statement taken far by the Nixon Administration. There is no indication of any change, he said.

"The United States continued to give its complete support to the Israeli viewpoint."

It follows that the United States will be under intense pressure to compromise on the principles it has adopted.

The governments of the Near East should reach their own peace settlement without the interference of the Big Powers, who are tempted to put their own diplomatic, economic and strategic interests first.

That is why we have always urged that there is no real or effective Arab peace to direct Arab-Israeli peace negotiations.

## U. S. HAS ENOUGH 'GUNS' NEEDS MORE 'BUTTER'

To the Editor:

The number of Americans in uniform is second only to the height of world war II. To suppose that the principal argument for Big Four action is to encourage the parties to the conflict to move down the diplomatic road to peace.

In his NBC interview, former Secretary of State Dean Rusk was skeptical about a peace settlement this year because of electoral politics in Israel and "the politics of assassination."

Rusk said that the major change in world affairs during the last eight years was the abandonment of total hostility and recognition by the Great Powers that they could meet and begin to negotiate.

We believe that the major obstacle to peace arises from the Arab expectations that the Great Powers will save them from the necessity of a face-to-face meeting with Israel.

The Great Powers could make their most significant contribution in the Near East if they could encourage the Arab leaders to meet and to move toward friendly relations.

The failure of the UN after the 1956 war and in the prevention of the 1967 sequel should be remembered.

Experience has taught Israel that she cannot rely on assumptions, expectations or guarantees that she is justified in her insistence on an honest peace settlement which obligates her neighbors to live with her in goodwill and friendship.

From an economic point of view, the Arab world offers new problems. Throughout most of our nation's history, the basic economic question of producing "guns or butter" has truly been irrelevant.

Endowed with rich natural human resources, we have literally been able to produce both goods for our defense and consumer goods. But now that seems to be changing.

Even the stoutest advocates of the ABM program admit that its required cost would mean cutbacks in current programs or cancellations of proposed future plans aimed at relieving urban blight or individual human suffering. Currently, the greatest part of each of our tax dollars goes for military spending.

Politically, the creation of a multi-billion-dollar military system would be living proof to

## NOT ENOUGH TEACHERS, ROOMS FOR HANDICAPPED TO THE EDITOR:

Do people know that there are over 100 children in District No. 9 who are not in school? Why? Because there is no room for them and a shortage of teachers. Again, why? These children are educable mentally handicapped and the training money will be furnished proper school opportunities, and transportation will be furnished from their home and back again?

Our friends and also like that our historic stand on peace and international understanding has been deteriorated into hollow rhetoric.

Morally, the question looms large: Is the U.S. really like to find out after their child has gone to kindergarten for one year that there was no first class in the school. I think Granite City would really be turned upside down if this ever happened.

We are just as troubled. Our children will find it harder to make their way through life. Remember that we parents will not be around forever to watch out for that child.

## House Passes Homestead Exemption

(Springfield Scene)

The Illinois House has passed H. 1176 for a \$100 homestead exemption for persons over 65 years of age.

The Senate Industrial Affairs Committee has favorably reported H. 831 for \$1 million in matching state grants to industrial development agencies designated by local government units.

The Senate passed H. 498-524 denying applications and fees for state registration exams in various professions, trades and occupations if the applicant fails to take the exam within three years of applying.

H. 896 would allow foreign corporations to make direct investments in real estate mortgages for construction and other purposes.

It would define trade names and ban unauthorized use of trademarks and tradenames in specified situations.

The Senate Executive Committee approved S. 88, the Natural Resources Development Bond Act, which would permit taxation of the final sale of products for consumption.

amendments will reduce the bond issue from the original \$1 billion to \$500 million and make it applicable to water pollution projects only.

H. 778, a public employee bargaining bill lacking a no-strike clause has passed the House. It also contains new labor bills but ban public employees strikes in return for collective bargaining rights.

## \$1,843,833 in Sales Taxes For County in Past Decade

Madison county's record \$338,372 sales tax income for the county government in 1968 exceeds the 1967 figure of \$255,017 by 32%, records showed today. The rate was 24% higher.

With the tax increased from a half-cent to three-quarters of a cent, per sales dollar as of Aug. 1, 1967, the latest year saw collection at the higher level for all 12 months. The previous year had seven months at the lower level and five months at the current rate.

Tabulations indicate that the Madison county government has now obtained \$1,843,833 from the tax since it went into effect Oct. 1, 1960. The original rate was a half-cent.

Yearly totals have been: 1959 (three months), \$29,538; 1960, \$146,613; 1961, \$148,071; 1962, \$168,187; 1963, \$176,619; 1964, \$174,704; 1965, \$197,715; 1966, \$208,072; 1967, \$255,017; and 1968, \$338,372.

**Record for December**

The 1968 breakdown lists \$19,923 for January, \$22,765 for February, \$27,493 for March, \$28,756 for April, \$28,144 for May, \$27,835 for June, \$28,490 for July, \$27,532 for August, \$30,432 for September, \$30,158 for October, \$27,687 for November and \$42,831 for December.

A new one-month high, the \$42,831 in December included annual and quarterly returns as well as taxes from those who report monthly.

The 1968 statistics were announced at this time because Illinois Revenue Department collections and tabulations require several months.

## Lansdowne Sewer System Collects \$182,281 Rentals

The East Side Levee district's Lansdowne Sewage Treatment plant collected a total of \$182,821 in sewer rental fees during its 1968-69 fiscal year ending March 31, according to a report by Levee District Treasurer Thomas Staicoff.

The revenue fund, in which rental collections are placed, had a balance of \$56,836 at the beginning of the fiscal year April 1, 1968, giving the sewer fund a total 1968-69 income of \$209,657.

Of this amount \$70,000 was transferred into the operation and maintenance account, \$81,000 into the sinking fund for bond payments, \$13,500 into the reserve fund and \$50,000 into the depreciation account.

With balances in these accounts at the beginning of the fiscal year, these transfers left total balances at the end of the 1968-69 fiscal year of \$224 in the operation and maintenance account, \$27,000 in the reserve account and \$15,332 in the depreciation account.

**Revenue Fund Balance**

The revenue fund showed a balance of \$66,017 as of March 31 this year. The \$81,000 in the sinking fund was paid as interest on outstanding bonds used to finance construction of the sewage treatment plant.

Total of all cash balances at the end of the fiscal year on March 31 amounted to \$111,194. The balance in the original construction trust fund, amounting to \$13,892 at the beginning of the 1968-69 fiscal year, was exhausted with payment of \$5000 to Keeley Bros. Contracting Co. of East St. Louis as final construction payment, and \$8892 to the East Side Levee and Sanitary District as a general fund reimbursement for advanced expenses.

Total expenses out of the operation and maintenance account amounted to \$75,236, leaving the year end balance of \$2824 in this fund.

## 'Acre of Art' Exhibit Monday at Memorial Gym

The seventh annual "Acre of Art" exhibition, which serves as a public showcase for artwork created by Granite City kindergarten, elementary, junior high and senior high school students, will be presented from 6 to 9 p.m. Monday in Memorial Gymnasium at Granite City high school.

Eugene Alassi, art director for Granite City schools, is again coordinating the art show which is presented under the auspices of the Granite City PTA Area Council and the local school system's art instructors.

Several thousand individual art pieces contributed by kindergarten through 12th graders will be included in the "Acre of Art Show," which derives its name from the vast quantity of material submitted each year that adorns the gymnasium walls, balcony, floor

and panel partitions arranged throughout the building.

Admission to the show is free, Alassi explained. However, he pointed out that donations will be accepted at the door and presented as a scholarship to a deserving art student to further his or her education. Nearly 1000 persons have inspected the exhibits in previous years.

The annual show provides an opportunity for all students in all grade levels in the local schools to display their artwork. Alassi said.

## Masquers Production Saturday at GCHS

Those who missed the Masquers highly-successful production of "A Funny Thing Happened on the Way to the Forum," presented recently in Collinsville, will have the opportunity Saturday evening to view the show at Granite City high school auditorium.

Curtain time is at 8:15 p.m., and tickets are available in advance from the Tri-Cities Chamber of Commerce, the offices of the Manufacturers' Association of the Tri-Cities and members of the Roca Young Men's Club under whose auspices the local presentation is to be given.

Tickets priced at \$2.50 for adults and \$1 for students, also may be purchased at the door immediately before show-time.

A review of "A Funny Thing Happened on the Way to the Forum" will appear in the May 19, 1969 issue of the Press-Record.

Happened... by an area newsman following performances in Collinsville, noted that good crowds attending the show "greeted the broad comedy 'greeting the broad comedy' with the most enthusiastic belly laughs."

"The humor and dancing, while not exactly 1890's drawing room, seemed to the liking of audiences conditioned to 'Laugh-In' and the Smothers Brothers," the reviewer stated.

Plaudits were offered to Milli Hoelscher of Granite City, director of the production, plus choreography work by Diane Nocheff, a Marshall school faculty member who also performs in the comedy, "made it possible for the 19-man cast to maintain the pace and work out the tricks of innumerable entrances and exits, reappearances at upper windows or on the roof, and frantic chases involving the whole gang," the reviewer stated, adding that "even an all-professional company in a long run finds this strenuous, but the Masquers pulled it off."

Originally produced on Broadway by Harold S. Prince, "A Funny Thing Happened..." was voted the best musical of the year 1963-64.

The play is set in Rome, about 200 years before the Christian era and is centered around the connivings of a Roman slave, Pseudolus, portrayed by Bill Hoelscher of Granite City, to get money to buy his freedom.

Hoelscher has played many parts in Little Theatre musicals in California, ranging from leading roles in "The Prince" to "Anything Goes." With the Masquers he has appeared in three musicals although this marks his first leading role.

A native of Granite City and a graduate of the University of Illinois, Bill is an attorney and general manager of the Manufacturers' Association of the Tri-Cities. He is a member of the Illinois State Bar Association and also serves as chairman of the Granite City Plan Commission and as a national director of the YMCA.

Other cast members from Granite City who will perform Saturday include a Beverly Scroggins (Domina), a sixth grade teacher at Mitchell school who received "Best Actress of the Year" award in 1968 for her portrayal of Lili in "Carnival." She has directed the "Rainmaker" and is busy working toward a degree in theatre at SIU-SW.

Her past experience includes Community Theatre and Springfield Musical Opera in Springfield, Ill., plus a season in Missouri with Shepherd of the Hills Theatre. She is the mother of two boys and wife of Attorney Leon Scroggins.

Eric Mills (Philia), a Granite City high school sophomore, has appeared twice with the St. Louis Municipal Opera in 1963 and 1966. For the past two summers she has attended the National Music Camp in Interlochen, Mich., where she also appeared in a lead role in "Lil' Abner." This is her fourth appearance with the Masquers.

Marge Pennell (Panacea), a substitute teacher in local schools with a degree from Eastern Illinois University, is active in religious theatre. Her students have won first place in the Catholic One-Act Play Festival for the past three years.

Marge is the wife of Ron Pennell, who portrays Marcus Lycus in a "Funny Thing Happened..." Pennell, a teacher at Granite City high school in English, speech and drama, also coaches the GCHS debate team.

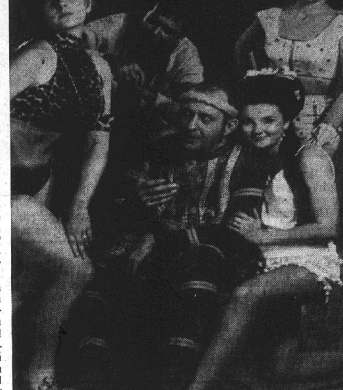

During college, Ron played leading roles with the St. Louis University Theatre, where he received his master's degree. Mr. and Mrs. Pennell are the parents of two daughters, age five and two.

Stanley Coleman (Hysterium) studies voice with well-known variety shows and a television variety series.

Earl Parson (Senex) is making his second appearance with the Masquers. He is an instructor in the Central School of Beauty Culture in Alton and has produced and directed the Roca Club Variety Shows for the past four years. He serves as adviser and director of the local young men's club.

Two Roca members appearing as Proteans in the cast are Harry Diak, a GCHS junior and Mark Rigby, also a junior and member of the Warrior football team.

CONNIVING PSEUDOLUS (Bill Hoelscher, seated center) and Hysterium (Stanley Coleman), two slaves in ancient Rome, seek the aid of three beautiful courtesans in their scheme for freedom in "A Funny Thing Happened on the Way to the Forum," a Masquer production, slated for 8:15 p.m. Saturday at Granite City high school auditorium. The girls are Lynn Harsh (left), Marge Pennell (kneeling) and Diane Nocheff.

singer, Nina Dale, and plays the piano and organ. It is his first appearance in a Masquer production. He is proprietor of the "House of Stanley" beauty salon here and active in state and national professional cosmetology associations.

Lynn Harsh (Vibarta), formerly employed at a local bank and married her husband, Jim, also a Masquer, while a member of the troupe. She has appeared in "Brigadoon" and several other Masquer productions.

Diane Nocheff (Gymnasia), a Masquer for several years and head dancer in the troupe, won 1966 "Best Actress Award" for her role of Lotus Blossom in "Teahouse of the August Moon." Her past credits include SIU

Pinewood Derby for Cubs of Pack Four

The annual pinewood derby for Cub Scouts in Cub Pack Four sponsored by Logan School was held Tuesday evening at the school.

Edward Brandes Jr. of the Weibos was awarded the first prize for having the "best looking" car and the fastest.

Other winners in the same category and selected by the dens were John Draper, den two, Lynn Harris, den three, John Lance, den four, Edward Brandes Jr. won the adults race. Judges for the project were Bob Shane, Terry Shane, Faye Williams and Georgia Woodford.

Larry Mouser closed the meeting with a song. A committee meeting will be conducted on Tuesday, May 6 at 7 p.m. at 2212 Missouri avenue and the next pack meeting is planned for May 27 at 7 p.m. at Logan school.

Cynthia Boyer to Play in SIU-SW Ensemble

Cynthia Boyer of Granite City, playing the French Horn, will be a member of one of the four ensembles, performing at a concert of chamber music for winds in the University Center Meridian Hall at SIU-SW campus. The program will be presented Monday at 8:15 p.m. and the public is invited.

Featured will be a brass choir under the direction of Dale Fjerstad, a woodwind quartet directed by James Meyer, a saxophone quartet led by George Mellett, and a second woodwind quintet directed by Herbert Oberlag. Meyer is a graduate student from St. Louis. The other directors are members of the SIU music faculty.

## \$88,355,219 Purchasing in 1968, Increase of \$932,512

Quad-City area purchasing has been pegged at a level of \$88,355,219 for the calendar year of 1968 by Illinois Department of Revenue sales tax records.

The figure compares with \$7,422,707 in 1967, \$10,338,968 in 1966, \$82,644,246 in 1965, \$89,277,667 in 1964, \$87,444,433 in 1963, \$69,839,839 in 1962, \$65,084,123 in 1961, \$79,278,194 in 1960, \$38,679,800 in 1959, \$32,186,281 in 1958 and \$37,981,509 in 1957.

Part of the reason for the variations is fluctuations in the level of buying by manufacturers.

Purchasing in 1968 included \$27,407,146 in Granite City, \$11,017,837 in Madison, \$2,283,941 in Venice, \$1,488,272 at Mitchell and \$1,167,723 in the village of Pontoon Beach.

In 1967, the same totals were \$28,904,497, \$10,115,130, \$2,451,572, \$1,497,296 and \$478,241. This comparison shows buying during the past year in Madison and Pontoon Beach, with slight decreases in Granite City, Venice and Mitchell.

Similar breakdowns for two years ago, 1966, reveals purchasing of \$87,210,522 in Granite City, \$10,800,038 in Madison, \$2,831,996 in Venice, \$1,104,327 at Mitchell and \$279,107 in Pontoon Beach.

In general, the biggest economic growth areas are Pontoon Beach and Mitchell, the records of recent years indicate, with Madison also showing an upward trend.

The impact of manufacturer buying is shown by deducting \$29,129,082, \$16,798,978 and \$13,447,914 tallies for 1966-67-68. The other nine categories of buying amounted to \$7,707,908 in 1966, \$70,623,729 in 1967 and \$74,907,303 in 1968.

A breakdown of the 1968 Quad-City total of \$88,355,219, with comparisons in parentheses showing the 1967 figures that followed, \$87,422,707, follows:

General merchandise \$8,599,658 (\$7,662,477), food \$22,833,273 (\$21,489,119), drinking and eating places \$7,043,374 (\$6,953,131), apparel \$2,922,786 (\$2,831,612), furniture, household goods and radios \$4,515,533 (\$4,988,230), hardware, lumber and building supplies \$5,046,156 (\$4,333,467), automotive and filling stations \$15,892,467 (\$14,745,400), retail

wholesale stores \$6,346,637 (\$6,355,100), miscellaneous \$1,075,968 (\$844,345) and manufacturers \$13,447,914 (\$10,788,978).

The past year's gains were recorded in several divisions—general, food, drinking and eating, apparel, hardware, automotive and miscellaneous. Reductions occurred in three categories—furniture, retail-wholesale and manufacturers.

Similar breakdowns by cities, listing 1968 first and then the 1967 amount in parentheses, are given below:

Granite City—general \$7,730,093 (\$6,716,830), food \$16,313,683 (\$15,631,256), drinking and eating \$6,418,795 (\$4,865,431), apparel \$2,839,036 (\$2,776,226), furniture \$4,599,531 (\$4,101,409), hardware \$4,428,532 (\$3,745,285), automotive \$13,444,440 (\$12,314,121), retail-wholesale \$3,358,525 (\$5,553,116), miscellaneous \$601,187 (\$373,392) and manufacturers \$15,776,320 (\$16,853,691).

Madison—general \$7,043,374 (\$6,953,131), food \$1,806,792 (\$1,191,300), drinking and eating \$1,747,758 (\$1,537,748), apparel \$77,898 (\$76,386), furniture \$948,820 (\$887,068), hardware \$165,029 (\$106,973), auto \$1,308,657 (\$1,215,933), retail-wholesale \$742,545 (\$793,379), miscellaneous \$931,529 (\$233,957) and manufacturers \$989,271 (\$150,736).

### Pansies for Your Garden

Several weeks of spectacular beauty are yours when you plant pansies as a patio or door plant.

Few flowers can outshine pansies for spectacular colors and early season bloom. New hybrids will stretch their flowering season throughout the summer. This combination makes pansies an ideal choice for vest pocket gardens near the door or along the sidewalk.

Pansies are normally planted in late summer and mulched like strawberries for winter protection. In early spring, pansies begin to develop flowers. Pansies are not injured by spring frosts as they develop a steady series of yellow, purple, white, blue and varicolored flowers.

An ideal situation for pansies is a partially shaded cool location. Heavy shade will reduce flowering. Pansies must be well watered for good performance. Mixing peat or compost with the soil promotes good growth and best use of a regular water supply.

Try this interesting plant by buying a few plants or plan on growing your own from seed. You will be well rewarded.

### Special Care for Holly

Yellow leaves and leaf drop seem an annual event for American Holly. But extra care can help you improve growth and beauty.

Wind burn and cold always takes a toll of holly leaves when the tree is on a windswept corner. But low fertility and insects may be the real cause when the problem is severe and unexpected.

Leaf drop in late winter often is due to sun and wind burn during a cold winter snap. Mulching to prevent deep freezing of the soil and a canvas or burlap windbreak usually helps to preserve the foliage and welfare of these windswept trees.

Springtime leaf drop as new growth appears is often due to low fertility. As new shoots and flowers develop fertility is drawn from older leaves to produce growth.

Extra fertilizer for this evergreen will help preserve these older leaves. Special fertilizers for acid loving plants like Azaleas and Rhododendrons is recommended. In early spring apply 1/2 lb. of fertilizer per one foot of height of the tree. Scatter the fertilizer on the soil beneath the branches, but not too close to the stump.

### Tent Caterpillars

Pesky tent caterpillars have begun to appear. Small webs can be found on apples, wild cherries and many woodland trees.

Burning out the nests is one way to control this army of worms, but new insecticides have simplified the procedure.

One spray application of carbaryl will knock out the entire colony, especially when the worms are small.

Be certain to carefully spray the branches and nearby foliage. Instead of concentrating on the nest.

## State Capitol NEWS

### New Executive Committee

The executive committee for a much larger new organization, the Governor's Advisory Council, has been formed by Gov. Richard B. Ogilvie to provide him with recommendations for modernization of state government and act as a sounding board for administration programs.

Ogilvie named as chairman of the executive committee Donald S. Perkins, president of Jewel companies in Melrose Park, who headed the fundraising efforts for Ogilvie's gubernatorial campaign in 1968. "I plan to make frequent use of their valuable advice in developing new programs and in improving existing ones," Ogilvie said.

Perkins said the executive committee would allow the governor "easy access to the business and professional community" and provide a line of communications through which businessmen may submit ideas and recommendations to the state administration.

### Accelerator Site

Gov. Ogilvie turned over ownership of the 6800-acre site for the National Accelerator Laboratory to the U.S. Atomic Energy Commission at a civic luncheon April 10 in Chicago. The laboratory complex, which will include the world's largest proton accelerator for splitting particles, will be located in Du Page and Kane counties, east of Batavia.

"Transfer of the property to the Atomic Energy Commission," Governor Ogilvie said, "brings to fruition the hard work, sacrifices and contributions of many dedicated Illinoisans. Also, it allows construction of the accelerator laboratory to proceed on schedule, and this will yield significant benefits for the economy of Illinois."

### Vigilante Law

Gov. Ogilvie said legislation will be introduced to repeal an archaic Illinois law allowing formation of vigilante groups.

Hotrod Tractors

Hotrodding has moved out of the city to the American farm. The tractor pulling contest at the 1969 Illinois State Fair, in fact, may include hot rod tractors which sport aircraft engines.

So popular have tractor pulling contests become, the state fair version will last three days this year instead of the two days of prior years. Competition will begin at 10 a.m. Tuesday, Aug. 12, and end sometime Thursday, Aug. 14.

First place for each of the three classes — stock block, rodeo and open — will earn the winner \$200 and a trophy. Second place brings \$150; third, \$100; fourth, \$75; fifth, \$50, and sixth, \$25.

Dead Animals Violate Law

Illinois livestock owners are urged by John W. Lewis, director of the state Department of Agriculture, to properly dispose of their dead animals to avoid prosecution for violation of state laws.

"Our division of meat, poultry and livestock has received numerous complaints of dead animals lying around in various sections of the state," Lewis said.

Under state law, it is the responsibility of the owners of dead animals to dispose of them within 24 hours after death. Failure to do so can result in a fine of not less than \$50 nor more than \$500 or imprisonment in the county jail for not more than 30 days.

### Sewer Lining Proposals

#### Under Study by City

Under study by Granite City council members are two proposals for lining sanitary sewer lines in the Nameeki area in an effort to forestall the rapidly occurring sewer breaks at joints.

The proposals by the Penetron System of St. Louis and Video Pipe Grouting, Inc., were referred to the city engineer for recommendation at next week's council session.

### Coy-Dog in Wolf's Clothing

"The wolf" at your door just might be the animal the Illinois State Museum is looking for.

Unknown to most citizens, coyotes inhabit much of Illinois and its bordering states. In many areas they breed with wild dogs and produce a hybrid. These hybrids, and coyotes too, quite often erroneously are called "wolves." The hybrids are called coy-dogs.

Originally a prairie animal, the coyote appears to be moving eastward as the solid forests are reduced.

Anyone seeing a "wolf-like" wild animal in his area or who knows where they exist is asked to notify Dr. John R. Paul, curator of zoology at the museum in Springfield.

Although these animals exist virtually everywhere in Illinois, so far most of the sightings have been made south of a line extending from Quincy to Springfield to Champaign.

Hotrod Tractors

Hotrodding has moved out of the city to the American farm. The tractor pulling contest at the 1969 Illinois State Fair, in fact, may include hot rod tractors which sport aircraft engines.

So popular have tractor pulling contests become, the state fair version will last three days this year instead of the two days of prior years. Competition will begin at 10 a.m. Tuesday, Aug. 12, and end sometime Thursday, Aug. 14.

First place for each of the three classes — stock block, rodeo and open — will earn the winner \$200 and a trophy. Second place brings \$150; third, \$100; fourth, \$75; fifth, \$50, and sixth, \$25.

Dead Animals Violate Law

Illinois livestock owners are urged by John W. Lewis, director of the state Department of Agriculture, to properly dispose of their dead animals to avoid prosecution for violation of state laws.

"Our division of meat, poultry and livestock has received numerous complaints of dead animals lying around in various sections of the state," Lewis said.

Under state law, it is the responsibility of the owners of dead animals to dispose of them within 24 hours after death. Failure to do so can result in a fine of not less than \$50 nor more than \$500 or imprisonment in the county jail for not more than 30 days.

## The Garden Corner

### Strawberries—Growth, Care

Strawberries are approaching full bloom and this means that it is only three to four weeks until harvest. The warmer the weather, the earlier the harvest will be.

If you had rotten strawberries at harvest time last year, start your 1969 control program now. Spray or dust the plants with captan every 7 days through harvest. This material can be applied one day before harvest without affecting the eating quality.

New plantings should have the flower stems removed as they appear. If they are not removed, next year's yields are usually reduced.

Weeds are developing in all plantings. Cultivate them or hoe them out and then apply the herbicide dacthal for 6 to 8 weeks of weed-free care.

### Sweet Corn for the Home

It is possible to have a constant supply of sweet corn from your garden throughout the summer. You can adjust the varieties and planting dates to extend this season to the utmost.

The first planting should be made now. It should include an early (67 to 72 days to maturity) variety and a main-crop (78 to 83 days to maturity). The remainder of the plantings should be of a main-crop variety because of the better quality and adaptability.

Harvest of high quality corn should extend for five or more days from each planting. By making a new planting every 7 to 10 days, excellent eating is assured. Planting by the calendar may cause some overlapping in maturity due to unusual weather conditions. This can be avoided by using the planting schedule printed in the University of Illinois Garden Guide available from your County Extension Adviser.

There are many varieties of sweet corn and many gardeners have their own preferred variety. However, if you are undecided about which to plant, try Golden Beauty, Spring Gold, or Barbecue for the early crop. Main-crop selections could include Gold Cup, Golden Cross Bantam, Seneca Chief, Tendermost, Victory Golden,

### Country Gentlemen and Ill-

Two outstanding new varieties are Gold Queen and Silver Queen. These may not be available except through seed companies, but they are worth the time spent in locating the seed.

Sweet corn requires plenty of nitrogen for maximum growth. High levels of phosphorus and potash will also aid in its growth. Follow a good fertilizer program for best results.

Two or more rows should be planted side by side to insure good pollination and ear development. Cross-pollination between sweet corn varieties is not damaging, but popcorn and sweet corn do not mix well.

Keep the weeds under control by cultivation, hoeing or herbicides. The other requirement for good sweet corn growing is insect control. Be prepared to treat for flea beetles when the corn comes up and for the earworm once the silks begin to show.

And finally, it is not necessary to remove the side shoots or "suckers" on sweet corn, there is nothing to be gained from this practice except exercise.

## Anti-Rabies Clinic Set in Chouteau Twp.

An anti-rabies clinic to inoculate dogs and cats will be held for Chouteau township residents from 5 to 8 p.m. next Thursday at the Greenway Village shopping center in Mitchell. It was announced by Walter Sparks, township supervisor.

The clinic will be conducted by Dr. Joseph B. Helms of Edwardsville, veterinarian connected with Madison county's rabies control program.

Any reason why Mom should be left in the kitchen doing the dishes?

You and the rest of the family get to relax—but where's Mom? If old-fashioned dishwashing still has a wall between you and mother's companionship after mealtime, it's time for an automatic dishwasher. A dishwasher automatically presents her with an extra hour of leisure each day. Her dishes come out sparkling and sanitized. And she comes out looking more relaxed!

An automatic dishwasher takes but 5¢ a day to operate. And that includes hot water, electricity and detergent. Pretty small price to pay to have dishes out of sight, an uncluttered kitchen counter and sink, more attractive looking hands and all the other advantages that come with an automatic dishwasher.

Let your appliance dealer show you why...

Happiness is...an automatic dishwasher!

## Tight money? But you can still buy a home.

Even if you don't have a rich Aunt Maude. If you're putting off buying a home because it's not as easy as it used to be to get a mortgage, don't give up now. See your Realtor. He's resourceful. With his contacts and knowledge of the market, he may be able to suggest several ways to finance the home you want. For example, by arranging for you to assume an already existing mortgage. Or he may know a source that would be interested in lending you mortgage money. A Realtor can be worth his weight in gold to you. He is a professional in real estate who subscribes to a strict Code of Ethics as a member of the local and state boards and of the National Association of Real Estate Boards. So if you're not lucky enough to have a rich aunt, look for this. It identifies the person to see — a Realtor.
